UNITED STATES GOVERNMENT

# Memorandum

TO : SAC, Atlanta

FROM : Director, FBI (157-9-Main)

SUBJECT : COUNTERINTELLIGENCE PROGRAM  
INTERNAL SECURITY  
DISRUPTION OF HATE GROUPS

DATE September 2, 1964

Effective immediately, the Bureau is instituting a coordinated Counterintelligence Program (Cointelpro) directed against Klan-type and hate organizations. Offices receiving copies of this letter are instructed to immediately open an active control file, captioned as above, and to assign responsibility for this program to an experienced and imaginative Special Agent who is well versed in investigation of hate and racist-type organizations and their membership.

The purpose of this program is to expose, disrupt and otherwise neutralize the activities of the various Klans and hate organizations, their leadership and adherents. The activities of these groups must be followed on a continuous basis so we may take advantage of all opportunities for counterintelligence and also inspire action in instances where circumstances warrant. The devious maneuvers and duplicity of these groups must be exposed to public scrutiny through the cooperation of reliable news media sources, both locally and at the Seat of Government. We must frustrate any effort of the groups to consolidate their forces or to recruit new or youthful adherents. In every instance, consideration should be given to disrupting the organized activity of these groups and no opportunity should be missed to capitalize upon organizational and personal conflicts of their leadership.

On or before 10/15/64, participating offices are instructed to submit to the Bureau a detailed analysis of potential counterintelligence action against pertinent organizations and individuals active within their respective territories and specific recommendations should be included for any logical immediate counterintelligence action. Recommendations submitted under this program must include all necessary facts to enable the Bureau to intelligently pass upon the feasibility of the proposed action. Offices participating in this program who have investigative responsibility for Klan organizations should specifically comment in the initial letter to the Bureau regarding "Action Groups." As these offices are aware, these groups have been described as the relatively few individuals in each organization who use strong-arm tactics and violent actions to achieve their ends. Often these groups act without the approval of the Klan organization

or membership. The Bureau considers it vital that we expose the identities and activities of such groups and where possible disrupt their efforts. These groups should be subjected to continuing counterintelligence action.

No counterintelligence action may be initiated by the field without specific Bureau authorization.

Commencing 1/1/65 and every 3 months thereafter, each participating office should submit to the Bureau a status letter covering the prior 3-month period, including comments under the following captions:

1. Potential Counterintelligence Action
2. Pending Counterintelligence Action
3. Tangible Results

If necessary, a 4th caption "Miscellaneous" may be utilized for additional comments.

Recommendations for counterintelligence action should not be included in 90-day status letters to the Bureau but following the initial analysis due 10/15/64, should be submitted individually by separate letter.

All Special Agent personnel responsible for the investigation of Klan-type and hate organizations and their membership should be alerted to our counterintelligence plans relating to these groups. Counterintelligence action directed at these groups is intended to complement and stimulate our accelerated intelligence investigations. Each investigative Agent has a responsibility to call to the attention of the counterintelligence coordinator suggestions and possibilities for implementing the program. You are cautioned that the nature of this new endeavor is such that under no circumstances should the existence of the program be made known outside the Bureau and appropriate within-office security should be afforded this sensitive operation.

Letter to Atlanta  
RE: COUNTERINTELLIGENCE PROGRAM  
INTERNAL SECURITY  
DISRUPTION OF HATE GROUPS  
157-9-Main

The Bureau is pleased with past successes achieved by our counterintelligence efforts in other phases of our investigative responsibilities. To insure our success in this new endeavor, the Agent to whom the program is assigned in each office must have a detailed knowledge of the activities of the racist groups in the territory and that knowledge must be coupled with interest, initiative and imagination. The Agent must be alert for information which has a disruptive potential. The information will not come to him - - he must look for it. The most effective way of being assured of keeping on top of the situation is to maintain close contact with those Agents who handle the investigation of the racial and hate groups and their membership and also to periodically review relevant files.

If an enthusiastic approach is made to this new endeavor, there is no reason why the results achieved under this program will not equal or surpass our achievements in similar type programs directed against subversives.

DATE. 9/14/64

FROM ✓ Director, FBI (157-9-63)

SUBJECT COUNTERINTELLIGENCE PROGRAM  
INTERNAL SECURITY  
DISRUPTION OF HATE GROUPS  
(ST. AUGUSTINE KLAN)

ReBulet 9/2/64.

An informant of the Tampa Office has advised that the Klan group in St. Augustine, Florida, is referred to in Klan circles as the "Catholic Klan." Informant indicated one "Hoss Manucy" was affiliated with this group.

The segregationist philosophy and secret oath and rituals of Klan type organizations are incompatible with the tenets of the Roman Catholic religion.

Promptly forward to the Bureau a summary of the activities of this so-called "Catholic Klan" identifying its organization and commenting upon its alleged Catholic membership. Submit specific counterintelligence recommendations for possible action to capitalize upon the alleged religious affiliation of members of this Klan through exposure and disruptive techniques. Also comment on the possibility of utilizing this unique situation for informant penetration of the Klan.

There is no klan group in the St. Augustine, Fla., area known as the "Catholic Klan." The only klan organization in St. Johns County is the Ancient City Hunting Club, which is headed by HOLSTEAD R. MANUCY, aka "Boss". A number of the members of this organization are related to HOLSTEAD MANUCY. The MANUCY family is of Minorcan ancestry, members of Catholic church since early settlement of St. Augustine. HOLSTEAD MANUCY and his family are considered "white trash" by reputable members of the community. HOLSTEAD is a convicted moonshiner, described by members of his family as a very poor Catholic who has not seen the inside of a church for many years.

Background data relating to the Ancient City Hunting Club, as well as a list of officers and members of the group, was set forth in report of SA [redacted] dated 8/7/64 at Jacksonville, Fla., entitled DESEGREGATION OF PUBLIC ACCOMODATIONS, ST. AUGUSTINE, FLORIDA, CRA, 1964, Bureau file 173-1-63, Jacksonville file 173-5. In this report it is pointed out the Ancient City Hunting Club was not accepted into the United Florida Ku Klux Klan (UFPKKK) because a number of its members were Catholics and it was against the klan constitution for a Catholic to belong to the klan.

Racial informants in the St. Augustine area have advised the Ancient City Hunting Club has suffered severe internal disorders since July, 1964. HOLSTEAD MANUCY has fallen from favor as the leader of the group for several reasons. He has engaged in arguments and slapped [redacted] and [redacted] prominent members of the organization. He pulled a gun on [redacted] when threatened by him. The group has discontinued holding meetings and at present it is completely disorganized.

b6  
b7C  
b7D

Some degree of disruption has been created by the actions of Judge BRYAN SIMPSON, USDC, Jacksonville, Fla. HOLSTEAD MANUCY has appeared before Judge SIMPSON several times. SIMPSON recently enjoined MANUCY and members of the Ancient City Hunting Club from interfering with the integration of public accommodations in St. Augustine. On 9/14/64, Judge SIMPSON ordered MANUCY to produce for the court a membership list of the Ancient City Hunting Club. As yet MANUCY has identified in court only a few members of the group.

In view of the situation currently in existence in St. Augustine, specific counterintelligence recommendations are not being submitted. The matter is being followed closely at St. Augustine through informants and should the klan reorganize, disruptive technics will be considered.

DISRUPTION OF HATE GROUPS  
(TWO-WAY RADIO UNITS)

11-15-02 60290 PC/dg/BB  
#966268

ReBulet 9/15/64.

The Jacksonville Office has carefully noted the obvious intent of reBulet and agrees that there is a real strong possibility for taking some counter-intelligence action against the Klan through this medium.

[redacted] was re-contacted and he stated at the present time there is no additional information concerning the use of two-way radios nor has the local Klan in Jacksonville formulated any code. This would indicate that at the present time, while a number of local Klansmen have radios, there is no opportunity to introduce deceptive transmissions as the Klan has no "missions" on the planning board. The above informant has reported that it is anticipated additional Klansmen will purchase more two-way radio equipment which would be indicative of an expansion in plans of the Klan to use this method of communication. To date there has been no operation of the Klan where two-way radio communications have played an integral part.

b7D

[redacted] This office through its informants, particularly [redacted] will remain alert and will promptly advise the Bureau whenever information is received indicating the Klan has a sizeable "mission" in the planning stages wherein radios will play an important part. Depending upon the purpose of the "mission" plans could be formulated for some deceptive attacks on the Klan itself.

Re SAC Memo 9/23/64.

Racial informants in the St. Augustine area have advised the Ancient City Hunting Club has suffered severe internal disorders since July, 1964. HOLSTEAD MANUCY has fallen from favor as the leader of the group for several reasons. He has engaged in arguments and slapped [REDACTED] and [REDACTED] prominent members of the organization. He pulled a gun on [REDACTED] aka [REDACTED] when threatened by him. The group has discontinued holding meetings and at present it is completely disorganized.

Some degree of disruption has been created by the actions of Judge BRYAN SIMPSON, USDC, Jacksonville, Florida. HOLSTEAD MANUCY has appeared before Judge SIMPSON several times. SIMPSON recently enjoined MANUCY and members of the Ancient City Hunting Club from interfering with the integration of public accommodations in ST. Augustine. On 9/14/64, Judge SIMPSON ordered MANUCY to produce for the court a membership list for the Ancient City Hunting Club. As yet MANUCY has identified in court only a few members of the group.

In view of the situation currently in existence in St. Augustine, specific counterintelligence recommendations are not being submitted. The matter is being followed closely at St. Augustine through informants and should the klan reorganize, disruptive techniques will be considered.

The Klan is not active in the Tallahassee area at this time. The former leader of the Klavern here when active was Walter B. Rogers(157-643) who presently is still operating a gas station near Wakulla, Florida about 7 days a week and still resides with his wife west of Tallahassee. Rogers is in his early 60's and is a long time member of the Klan and is a close friend of Jason Kersey, Grand Dragon, UFKKK. Rogers holds a state position in the UFKKK and occasionally attends national meetings with Kersey but is not active locally. He is reportedly opposed to violence and may be against current acts of violence by Klan members. He is still a staunch segregationist, is well known as such at Wakulla, Florida (there-source) and also in the past has been known around Tallahassee as a Klan member.

[REDACTED] Tallahassee, is an reliable source of the RA. [REDACTED] is anti-Klan and has previously inquired regarding the leaders of the Klan in the state in order that he could get there comments on the St Augustine situation. It is felt that [REDACTED] could be given Rogers name and background and interview him for his comments on ~~the~~ racial violence and if the Klan violent activities might not be attributed to the younger members of the Klan. Rogers would be interviewed as one of the last few old time Klan members who don't condone this sort of thing. If newsworthy, the article could be written [REDACTED] pointing out Rogers criticism of the younger and violent element. In view of Rogers standing as an old line member this might cause a split with criticism of the article by younger Klan members. [REDACTED] would be completely cooperative and would submit [REDACTED]

Above for future consideration.

Re SAC memo, 9/23/64, captioned as above.

## OCALA RA AREA

At the present time there are the following klan groups active in the Ocala RA area:

1. Improved Order of the U.S. Klans, KKKK, INC.

Ocala Unit #3, Sparr, Florida

- 2/ United Florida KKK

Pedro Klavern #14-1, Pedro, Florida

Marion Klavern, Ocala, Florida

Following is a summary of the activity of the above groups within the past few months:

1. Ocala Unit #3, Sparr, Florida

Within the past few months this klavern disassociated itself with the USK., KKKK, and obtained a charter with the Improved Order of the US Klans, KKKK, however, the officers and members remained the same. Since the onset of racial strife and tension at St. Augustine, Florida, this group has become less and less active and outspoken. None of its members actively became involved in matters at St. Augustine. None of the group have been involved or arrested for racial disturbances in Ocala or in the vicinity. On 10/6/64, the group had lost interest to the point there were only about three attending meetings of the klavern at Sparr. The members currently active are disorganized and one or two have indicated a desire to join the Marion Klavern in Ocala, while one or two feel they would like to remain with the Ocala Unit #3.

b7D

## 2. Pedro Klavern, #14-1, Pedro, Florida

Activity in this klavern for the past year has been at a bare minimum. [redacted] has reported that only 2-3 members meet each week at Pedro, Florida, however, it has become only a social type meeting at which no klavern business is conducted. Klavern members discuss only in a general way the problems of integration, etc. None of the members have been arrested or even been otherwise involved in racial disturbances this past year.

ACTION RECOMMENDED

In view of the very limited activity of this klavern, and the coverage by [redacted] no specific counterintelligence action is indicated or felt necessary at this time.

## 3/ Marion Klavern, Ocala, Florida

[redacted] was formerly a member of this klavern when it was active about one year ago, and formerly met at Pedro, Florida. It has since changed its meeting place, and has also been plagued by internal friction among its members. This group only has about 6-7 active members, and none of this have been involved in outside racial activity. Of the four or five members of the original group involved in internal bickering, a split occurred, and about four-five members left the Marion Klavern, and began meeting by themselves. This group represented the "Action Group" of the Marion Klavern, but which is no longer a part of it.

b7DACTION RECOMMENDED

No counterintelligence action is indicated or believed necessary for the Marion Klavern.

ACTION GROUPS

1-Ocala Unit #3, Sparr, Florida(Improved Order, USK,KKKK) -

No action groups in this klavern

2/Pedro Klavern #14-1, Pedro, Florida(UFKKK) -No action groups

## 3-Marion Klavern -Ocala, Florida

The group that split away from the above klavern was as follows:

[redacted] formerly owner of the [redacted] Ocala, who has been arrested by the Ocala PD in connection with racial matters, and who gave up his [redacted] in Ocala, and moved to St. Augustine, Florida, where he presently resides, and also was involved with the police and in racial matters in St. Augustine during the past summers.

b6  
b7C

[redacted] Ocala, Florida, who has also been involved in racial matters in Ocala, and was reported to be involved with [redacted] in St. Augustine, Florida, in disturbances in that city this past summer. He is not presently employed, and spends much of his time in the St. Augustine area.

[redacted] also was involved in racial disturbances in Ocala during the summer of 1963, however, he has not been known to be so involved during the past year.

[redacted] was involved with NCNEW in Ocala during the summer of 1963, and arrested by the Ocala PD, however, no information he has been so involved during 1964.

ACTION RECOMMENDED

In view of the fact that both [redacted] and [redacted] are presently believed to be in the St. Augustine area, no counterintelligence action is indicated at the present time. It is felt however, that in the event they do return to the Ocala area, that specific steps be taken in counterintelligence field.

[redacted] Marion County SO. Ocala furnished the following information concerning [redacted] on 10/8/64, which may be of future interest and use concerning these men:

b6  
b7C

He advised that [redacted] was reported to be very promiscuous, and "shack up" with many men. About three years ago it was reported to him that she was "shacking up" with [redacted] a Negro [redacted] teacher at Howard High School in Ocala.

It is felt that in the event [redacted] does return to Ocala, the activities of [redacted] may very well lend themselves to good counterintelligence action against [redacted]

Reurmemo 9/23/64.

Contact with law enforcement agencies and Nassau County officials in the past has indicated a strong sympathy for segregation matters and a lack of interest and concern in pursuing any active inquiries into klan or hate group activities. This same attitude prevails in the Container Corp. of American and Rayonier Corp., the two largest industries in the area, as well as the staff of the local newspaper.

It is noted that the UFKKK in Fernandina Beach is the only active unit at this time and according to informant reports attendance is oftentimes too low to hold a formal meeting.

In view of the relative inactivity and lack of knowledge of any "active group" in the Nassau County Klavern it is felt that any counterintelligence action there would be highly ineffective and therefore no specific recommendations are being made at this time.

Re memo of SA [REDACTED] 9/23/64

On 9/4/64, [REDACTED] advised that at a meeting of Robert E. Lee Klavern # 15, of the United Florida Ku Klux Klan, it was brought out that the building in which this group meets is owned by city councilman Lemual Sharpe and is rented or leased to the City of Jacksonville as a Civic Center.

Exalted Cyclops (President) William A. Wilson of this unit said that Mr. Sharpe knew that a Klan meeting was being held in this building, but that it was in another name, and that Mr. Sharpe did not want this to get out. Wilson bragged to [REDACTED] that the City of Jacksonville was furnishing the lights and air-conditioning in the building, to the Klan.

On 10/9/64, Mr. J. T. Rouse, JR., Assistant City Auditor of the City of Jacksonville advised that since 1/13/64 the electricity used in this building was being paid for by the City of Jacksonville Recreation Department.. It is to be noted that this building is located at 3833 Pearl St., Jacksonville, Fla..

It is recommended that through the use of an anonymous letter addressed to either 1. the City Council of the City of Jacksonville, or 2. to the Jacksonville Journal, that the above situation be made known publicly.

City Council  
City of Jacksonville  
Jacksonville, Florida

(Attn: Mayor Haydon Burns)

Dear Sir:

It has recently been brought to my attention that the City of Jacksonville, through the use of taxpayers money, has been supporting groups which advocate racial unrest.

The building located at 3833 Pearl St., Jacksonville is being leased or rented by the City of Jacksonville Recreation Dept., and I assume that the lights and other utilities are being paid from funds available to that Department. This building is being used one night weekly by the Ku Klux Klan to espouse their hate. I ~~am~~ am unable to see the connection between this and any form of recreation of which I am aware.

Furthur, I wish to advise you that to my knowledge this building is owned by one of the members of the City Council, namely Mr Lemual Sharpe. I believe that in the best interests of the good name of the City of Jacksonville, that steps should be taken to correct this situation.

Respectfully Yours

An Interested Taxpayer

Informants have advised that DON COTHRAN, former Exalted Cyclops of the Knights of the Golden Eagles Klavern of the UFKKK recently split away from the UFKKK and affiliated with the United Klans of America, Inc., KKKK (UKA) with headquarters in Tuscaloosa, Ala. As a result, COTHRAN has been banished from membership in the UFKKK. COTHRAN has been successful in being appointed Grand Dragon of the UKA for the realm of Florida.

[REDACTED] advised on 9/27/64, that COTHRAN met with a group of 18 men on 9/24/64 at Holly Hill, Fla., and organized the Holly Hill Klavern of the UKA. COTHRAN collected \$10.25 from each man or a total of \$184.50. According to the informant COTHRAN was supposed to send \$2.25 per man or a total of \$40.50 to the National Headquarters in Tuscaloosa, Ala. COTHRAN told the informant that he believed he would only send \$.50 per man or a total of \$9 to the National Headquarters.

b7D

[REDACTED] advised that COTHRAN has refused to give an accounting to other officers of the UKA in Fla., of funds collected and believes COTHRAN may possibly be using klan funds for his personal use.

Informants of the Jacksonville Office have previously furnished information that COTHRAN was suspected of confiscating klan funds which were collected during rallies held in the fall of 1963 in Jacksonville.

In view of the possibility that COTHRAN is mis-appropriating klan funds it is suggested that the following anonymous letter be mailed from the Holly Hill, 157-863-114

The following is an analysis of possible counter-intelligence action against Ku Klux Klan organizations within this division, along with recommendations for proposed disruptive action:

IMPROVED ORDER OF THE U. S. KLANS, KNIGHTS OF  
THE KU KLUX KLAN, INC.

Within the past few months the Ocala Unit #3, Sparr, Florida, disassociated itself from the U. S. Klans, Knights of the Ku Klux Klan, Inc., and obtained a charter with the Improved Order of the U. S. Klans, Knights of the Ku Klux Klan, Inc.

As of 10/6/64, only about three members were attending meetings, indicating that most of the members had lost interest for the time being at least.

Due to the very limited activities of this klavern, no specific counterintelligence measures are being recommended at this time. However, the activities of this group are being closely followed for possible counterintelligence action in the future.

the fact that he slapped two of the members and pulled a gun on one of the members after being threatened by the member. The group has discontinued to hold meetings and at present is inactive and disorganized.

Some degree of disruption was created by the actions of Judge BRYAN SIMPSON, USDC, Jacksonville, Fla. Judge SIMPSON recently enjoined MANUCY and the members of this group from interfering with the integration of public accommodations in St. Augustine. On 9/14/64, Judge SIMPSON ordered MANUCY to produce, for the court, a membership list. As yet, MANUCY has identified, in court, only a few members of the group.

In view of the current situation in St. Augustine, specific counterintelligence recommendations are not being recommended at this time. The matter is being followed closely and should this group reorganize, possible disruptive tactics will be given consideration.

UNITED FLORIDA KU KLUX KLAN

For some months, the Jacksonville Klavern #2, United Florida Ku Klux Klan (UFKKK), Jacksonville, Fla., has been promoting a building program leading toward the construction of a new klavern building. Land has been acquired on Sunbeam Road, south of Jacksonville, for this purpose. The land is located a short distance off Sunbeam Road at the rear of the residence of a former Klan member and there is no driveway leading back to this property.

The former Klan member [redacted] and [redacted] [redacted] who lives next to [redacted] have both refused to permit the klavern to build a drive through their property back to the site of the new klavern building.

[redacted] advised on 8/26/64, that A. O. COOKSEY, Exalted Cyclops, Klavern #2, UFKKK, announced at a meeting of the klavern held on 8/14/64, that he has determined that Duval County owns a 20 foot strip of land between the properties of [redacted] and [redacted]. COOKSEY states that he has talked with Mr. FLETCHER MORGAN, Duval County Commissioner, and MORGAN has agreed to build a road back

to the property as soon as the ground gets dry enough for the "County machines" to do the work.

In view of the above, it is recommended, subject to Bureau approval, that the following letter be sent to the Duval County Commissioners, Jacksonville, Fla.:

"Duval County Commissioners  
Duval County Court House  
Jacksonville, Florida

"Gentlemen:

"Word has recently come to my attention that Mr. A. O. Cooksey has made arrangements with Mr. Fletcher Morgan, Duval County Commissioner, for the construction of a road leading off Sunbeam Road, south of Jacksonville, to property owned by the Paul Revere Historical Society. The road is to be constructed by Duval County employees, using County equipment, at the expense of County taxpayers.

"You may be interested in knowing that the Paul Revere Historical Society is really Klavern #2, of the United Florida Ku Klux Klan and that Mr. A. O. Cooksey is the Exalted Cyclops (President) of this group. This property is to be used as the location of a new KKK headquarters building that is in the process of construction.

"With the ever existing need for the construction and improvement of the roads in Duval County, it is inconceivable that you would permit the taxpayers money to be used for the promotion of the activities of the Ku Klux Klan.

"An interested taxpayer  
and registered voter of  
Duval County"

On 9/4/64, [redacted] advised that at a meeting of the Robert E. Lee Klavern #13, of the UFKKK, it was brought out that the building in which this group meets is owned by City Councilman LEMUAL SHARPE and is rented or leased to the City of Jacksonville as a civic center.

b7D

Exalted Cyclops [redacted] of this unit stated that Mr. SHARPE knows that a klan meeting was being held in this building and that it was registered in another name and that Mr. SHARPE does not want this information to be revealed. [redacted] bragged to [redacted] that the City of Jacksonville was furnishing the lights and air-conditioning in this building to the klan.

On 10/9/64, [redacted] Assistant City Auditor, City of Jacksonville, advised that since 1/13/64, the electricity used in this building was being paid for by the City of Jacksonville Recreation Department. It is to be noted that this building is located at 3833 Pearl St., Jacksonville, Fla.

SUBJECT:

COUNTER INTELLIGENCE PROGRAM  
INTERNAL SECURITY  
DISRUPTION OF HATE GROUP

Re memo 9/23/64.

All things being considered it is the considered belief and opinion of this Agent as well as the other RAs in Daytona Beach that any disruptive action taken against the known Klan groups in Volusia County, Fla., at this time, namely the DeLand Klavern and the Oak Hill Rod and Gun Club, both Klaverns of the UFKKK and the Holly Hill, Fla., Klavern of the United Klans of America, Inc., would be most untimely. All the RAs at Daytona Beach, however, have been alerted for any feasible disruptive action which might present itself. Appropriately any followup techniques will be made.

ReJKlet 10/14/64.

Authority is granted for you to mail anonymous letters as set out in relet, to:

If you deem it feasible it is suggested you anonymously forward copies of the first two letters "to the editor" of pertinent local newspapers or to local radio or television stations in anticipation they will afford these matters publicity.

In regard to your anonymous mailings, insure you use commercially purchased stationery with a different variety of paper for each of the three mailings, post the letters in different areas as appropriate, include in each letter misspellings or appropriate typographical errors, take every precaution to insure the anonymous letters cannot be traced to the FBI.

Advise the Bureau of any positive results and be alert to submit recommendations for follow-up counterintelligence action.

November 17, 1964

Dear Mr. Shelton:

I was resently taken in as a member of the United Klans of America at Holly Hill, Florida, with a group of 17 other men. We all paid Don Cothran, the Grand Dragon, \$10.25 a piece or a total of \$184.50.

I have heard rumors since joining thet Cothran is not to be trusted when it comes to money and I was wondering if he is really legitimate and is really connected with your organization. I was just wondering if he kept all this money for his own use or if he sent part of it to you like he is suposed to.

I am not signing my name since I don't want to get mixed up in any thing, but I felt you would know how to handle it.

For God and country

City Council  
Jacksonville, Florida

Gentlemen:

It has recently been brought to my attention that the city of Jacksonville through the use of taxpayers money, has been supporting groups which advocate racial unrest.

The building located at 3833 Pearl St., Jacksonville, is being leased or rented by the city of Jacksonville recreation department and I assume that the lights and other utilities are being paid from funds available to that department. This building is being used one night weekly by the Ku Klux Klan to espouse their hate. I am unable to see the connection between this and any form of recreation of which I am aware.

Further, I wish to advise you that to my knowledge this building is owned by one of the members of the City Council, namely Mr. Lemuel Sharpe. I believe that in the best interests of the good name of the city of Jacksonville, that steps should be taken to correct this situation.

I'm giving copies of this letter to WFLA TV station, WJXT TV station, WJAX Radio station, and Jacksonville Journal.

Respectfully yours,

An interested taxpayer

Duval County Commissioners  
Jacksonville, Florida

Gentlemen:

Word has recently come to my attention that Mr. A. O. Cooksey has made arrangements with Mr. Fletcher Morgan, Duval County Commissioner, for the construction of a road leading off Sumner road, south of Jacksonville to property owned by the Paul Revere Historical Society. The road is to be constructed by Duval County employees, using county equipment at the expense of county taxpayers.

You may be interested in noting that the Paul Revere Historical Society is really Klavern #2, of the United Florida Ku Klux Klan and that Mr. A. O. Cooksey is the exalted cyclops (president) of this group. This property is to be used as the location of a new KKK headquarters building that is in the process of construction.

With the ever existing need for the construction and improvement of the roads in Duval County, it is inconceivable that you would permit the taxpayers money to be used for the promotion of the activities of the Ku Klux Klan.

I am sending a copy of this letter to the Jacksonville Journal, WFGA TV station, WJIT TV station, and WJAX radio station.

FROM : ASAC JAMES J. O'CONNOR

SUBJECT: COUNTERINTELLIGENCE PROGRAM  
DISRUPTION OF HATE GROUPS  
RACIAL MATTERS

In accordance with Bureau instructions, certain letters relating to Klan activities in Jacksonville were mailed to certain press media and county commissioners.

One such letter related to the Paul Revere Historical Society in Jacksonville and was mailed to local television station Channel 12. During the afternoon of 11/20/64, I received a call from the station concerning the letter indicating they were very much interested in it and wanted, if possible, verification that the Paul Revere group was in reality a klavern of the local Klan. I indicated we could not comment on this but suggested a check be made of [redacted] of the Duval County Sheriff's Office who may well be in a position to verify this information.

The Miami Office by letter dated 11/18/64 forwarded to the Bureau an idea to be used to discredit the National States Rights Party, one of the hate groups considered under this Program. The Bureau does not believe that the idea furnished by the Miami Office contains sufficient impact for use under this Program, but the suggestion that cartoons be utilized to embarrass the Ku Klux Klan and hate groups has considerable merit.

Ridicule can be a devastating weapon and should not be overlooked in regard to the Counterintelligence Program which is aimed at disrupting and discrediting Klan-type and hate organizations. Many prominent Klan leaders and leaders of hate organizations possess idiosyncrasies or become involved in situations which present excellent opportunities to utilize ridicule as a weapon to discredit them both within their own organizations and in the eyes of the general public. The publication of cartoons and caricatures by cooperative news media or the anonymous circulation of them among rank-and-file members of Klan and hate groups will serve to both disrupt the various organizations and to discredit their leadership. Field offices participating in the Counterintelligence Program are urged to carefully assess and consider such a situation involving leaders of the Klan and hate organizations with the idea of portraying them in cartoon form.

This may be accomplished by submitting the idea to a cartoonist on the staff of a newspaper where we have established a reliable and discreet relationship or by preparing such cartoons utilizing the talents of SAs with artistic ability. In the event there are no artists in a respective office, a rough draft of a suggested cartoon should be submitted to the Bureau where an effort will be made to produce a suitable cartoon. Where a caricature of a specific individual is involved, this, too, may be prepared at the Bureau providing the suggesting field office will submit appropriate photographs of the individual to be portrayed.

In instances where counterintelligence cartoons are prepared by the field or rough draft for such a cartoon is submitted to the Bureau for preparation, counterintelligence recommendations should also be forwarded.

No counterintelligence action should be initiated without specific Bureau authority.

[redacted] advised on 3/8/65, that at a meeting of Jacksonville Klavern #502, UFKKK, that was held on 3/5/65, the Exalted Cyclops gave the following report relating to the construction of the road referred to above:

"Mr. FLETCHER MORGAN has been contacted about building a road into the property off Sunbeam Road, owned by this klan unit. Mr. FLETCHER MORGAN has said that he has been contacted by someone that possibly lives on Sunbeam Road and they told Mr. MORGAN that if he used county equipment to build this road, than his name would be put into the newspapers that he was working for, and doing things for the klan, by using the taxpayers money and equipment.

"Mr. MORGAN sent word to the klan unit that he may hire a private contractor to build this road."

It appears from the above that the anonymous letter dated 11/17/64, sent out by this office prevented the use of the taxpayers money from being used for the benefit of the KKK in Jacksonville, Fla.

RE Tampa letter, 1/14/65, and Bulet 1/29/65.

Information set forth on Pages 2- 9 of reTPlot was furnished to FRED SMITH of the "Tampa Tribune" on 3/29/65. He indicated a great interest in utilizing the information and the leads for a feature story or series to be written to accentuate those features of the organization and its activities, which would discredit and embarrass those connected with it, and immediately commenced his own investigation to substantiate some of the facts furnished (through people he can quote) and to obtain photographs of klavern buildings and other items which would be of interest to the public. Due to the publicity now being afforded plans of Congress to investigate the klan, SMITH indicated a desire to complete his inquiries within 5 or 6 days so his article or articles can be printed at the height of the present public interest and prior to the institution of Congressional investigation.

In this connection, SMITH has made a request for some additional information, some of which is concerned with the area covered by the Jacksonville Division. Tampa has been in contact with Jacksonville and the additional information has been obtained from that office, it being stated that the Jacksonville Office feels that the material can be furnished

to SMITH without compromising any sensitive source, and that most of it has already been made public via the newspapers and during trials. These facts are as follows:

- (1) The United Florida Ku Klux Klan (UFKKK) has about 8 active klaverns in the Jacksonville, Florida, area, and has other klaverns at DeLand, Lake City, Lake Butler, Gainesville, Palatka, Yulee (Tampa Division will also add that there are klaverns at Apopka, Orlando (2), Melbourne and Sebring, in addition to those at places already noted).
- (2) Current approximate membership in UFKKK klaverns in Florida is 500 men.
- (3) There are no elected state officials known to be active in the UFKKK. A few elected or appointed local officials are members or are sympathetic with the klan and its objectives.
- (4) Other than carrying on a limited correspondence, there is no interchange between Florida klansmen and their counterparts in Alabama.
- (5) The Ancient City Gun Club (ACGC) of St. Johns County is not a klan group, although attempts were made to make it one. It was a klan-type group, however, membership included individuals of the Catholic faith, who could not be accepted as klansmen; therefore, the club was not taken into the klan. When the St. Johns County Sheriff received word that Dr. MARTIN LUTHER KING intended to bring 1000 demonstrators into St. Augustine, he made it known that he would need 300 good men whom he could deputize. He did deputize some of the ACGC members, along with others. These men had authority to make arrests, but not to carry guns.

There are no known organizations similar to the ACGC in other north and west Florida counties, and the ACGC is no longer in existence, having collapsed after completion of court action relative to the St. Augustine racial situation.

JASON KERSEY, Grand Dragon, UFKKK, Samsula, Florida;  
ALTON O. COOKSEY, Acting Grand Dragon, UFKKK, Jacksonville, Fla.;  
M. A. LUKE, Grand Klokann, UFKKK, Orlando, Florida.

Due to the fact that FRED SMITH is expediting his inquiries concerning the klan and apparently wants to have information developed ready for publication early in week of 4/5/65, Bureau requested to ~~state~~ authorization to furnish to him information set forth above. *Surad*

Referenced communications forwarded copies of  
cartoons and suggested that these, or similar cartoons, be  
prepared by the Bureau for anonymous mailings to disrupt  
Klan, or similar hate group, activities.

Attached for each office are five individually  
numbered Xerox copies of rough sketches prepared by the FBI

receiving this letter should review these sketches to determine  
if any of these cartoons, or a variation of a cartoon, is  
suitable for disruptive, anonymous mailing within its field  
office territory.

In the event it is determined such a mailing would  
have counterintelligence value, and would not adversely  
affect our informant development program, the Bureau should

the cartoon selected will be prepared as requested and forwarded

ReBULet to Atlanta, 4/29/65.

On 5/8/65, [REDACTED] advised with reference to JASON E. KERSEY, Grand Dragon, UFKKK, that his only shortcoming or obsession is his highly prejudicial attitude on equal rights. He advised that in the many years of close association with KERSEY he has shown no signs or evidence of immorality or dishonesty. Further, he emphasized, KERSEY, has never proposed any devious type tactic himself but has taken the stand in the past that if anyone "pulled a caper", he was on his own, could not consider the act as having his sanction, but that he would arrange for bail, if they were arrested.

b7D

[REDACTED] advised that in the past several months, KERSEY has been in extremely poor health and there is very little chance, so his doctor tells, his, KERSEY's, wife, of a satisfactory recovery. [REDACTED] said KERSEY will definitely step down at the next election of State Officers in June, 1965.

[REDACTED] advised he will be alert, however, for this type information in future and so report.

Re Bureau letter to Miami dated 4/15/65.

After a review of the Xerox copies of rough sketches prepared by the FBI Laboratory in connection with captioned matter, it is concluded that these or similar sketches could very well have an adverse effect upon the informant development program of the Jacksonville Office.

The leaders of the klan in the Jacksonville area have become increasingly conscious of the possibility of informants in their groups and have discussed this matter in klan meetings. Recently one klavern in Jacksonville suspended its regular meetings for two weeks and held meetings by invitation only, at the home of the Exalted Cyclops. A record was kept of those members invited to the meetings and the names were checked against the names who attended the private meetings. This was done as a means of detecting any possible informants. The klan in the Jacksonville area is also concerned over the recent announcement by the President concerning an investigation of the klan by a Congressional Committee.

A recommendation for the use of cartoons and caricatures as a disruptive klan action in the Jacksonville Division, is therefore not being made at this time.

SUBJECT COUNTERINTELLIGENCE PROGRAM

(WALTER B. ROGERS)

ReJKlet 6/10/65.

The Bureau has carefully reviewed your recommendation that an anonymous letter be sent to [redacted] an official of the "Knights of the Ku Klux Klan," inferring his spouse engages in amorous activities while he is away from his residence on weekends, engaging in Klan activities.

b6  
b7c

Although the Bureau will consider counterintelligence action of the nature you have suggested in instances where definite results may be expected, in this instance it is felt the letter you have proposed could possibly cause [redacted] to become estranged from his wife and consequently increase his Klan activities. Therefore, at this time the Bureau is denying your request.

In the event future circumstances indicate a technique such as you have proposed could be utilized, and with greater assurance of the desired results, you should resubmit your recommendation.

The Bureau appreciates your interest in forwarding this suggestion.

Enclosed for each office participating in this Program are one copy of a leaflet exposing the Communist Party (CP) spawned and controlled W.E.B. DuBois Clubs of America and one copy of a leaflet exposing the communist background of Pete Seeger.

Both these items utilize public source material to expose the communists. The first was researched by the Philadelphia Office with its layout and design produced by the Bureau's Exhibit Section. To avoid associating the Bureau with the DuBois Clubs of America leaflet, discreet arrangements were made for the Catholic War Veterans to sponsor its dissemination. The second leaflet was prepared by a private organization without the cooperation of the Bureau, to expose the communist musician, Pete Seeger.

These items have been used as counterintelligence techniques to expose the communists and they are forwarded to suggest possible techniques to publicly expose Klan and hate-type organizations, and their members. The Bureau will be pleased to assist any office participating in this Program in the preparation of such material. Offices desiring to have such material prepared should submit their recommendation to the Bureau together with pertinent public source material and with suggestions for design and layout.

# TARGET ....

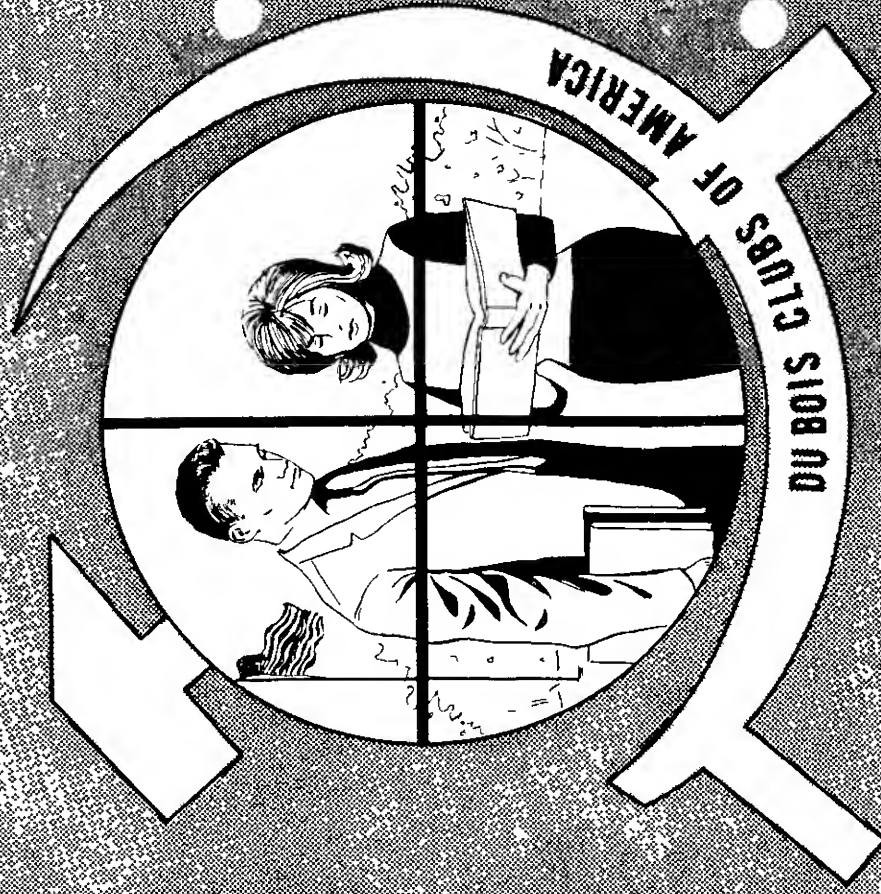

7. Other identified Communists, such as William M. Mandel and Douglas Wachter, attended the Du Bois Clubs founding convention. Five sons and daughters of Communist officials also were active at the founding convention. Bettina Aptheker, Margaret Lima, Oleta and Billy Proctor, and Eugene Dennis, Jr.

8. Greetings came to the convention from such pro-Communist groups as the South Vietnam Liberation Youth Union and the World Federation of Democratic Youth.

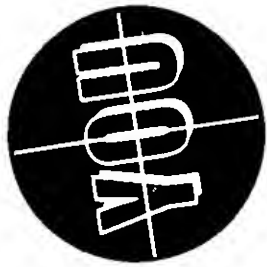

9. Articles in the New York Journal American and the Philadelphia Inquirer point out the Communist backing of the Du Bois Clubs. In one interview Jarvis Tyner, East Coast Coordinator of the Du Bois Clubs, admitted that some of the members consider themselves Communists.

10. Falsely accusing someone of being a Communist is libel, but there has been no reaction from the Du Bois Clubs in this regard. They have denounced the charges as "red-baiting" but have not denied the essential truth, the fact that the W E B Du Bois Clubs of America are nothing more than a new front of the Communist Party, a new propaganda tool of the atheistic, totalitarian system dedicated to "burying" you, the free American.

The only hope of the DuBois Clubs is that American youth are uninformed about the background of the clubs. For this reason, this pamphlet is being published by the Catholic War Veterans, Department of Pennsylvania, as an extension of the Pennsylvania Program. You are the target, don't be the victim.

# AMERICAN YOUTH!

# are the Target!

You, the student, the young American, interested in civil rights, free speech, political action, you are the target of the Communist Party. The Communist Party doesn't want to "bury" you, as Khrushchev said, they want to recruit you

## Why?

Because you are a potential leader of America

## How?

By using an effective Communist tactic -- the front organization

## When?

Today, according to Gus Hall, leader of the Communist Party, USA

A new Communist youth organization was formed at a convention in June, 1964, in San Francisco. Led by young Communists the W E B Du Bois Clubs of America came into being

But where did the people at this convention get the idea to form a new group? How did all of them just happen to meet in San Francisco?

According to J. Edgar Hoover, Director of the Federal Bureau of Investigation, top Communist Party leaders decided to start the group as early as October, 1963, in order to recruit young people into the Communist Party and to spread the Communist Party line

# W.E.B. DU BOIS CLUBS OF AMERICA

## What are the Facts?

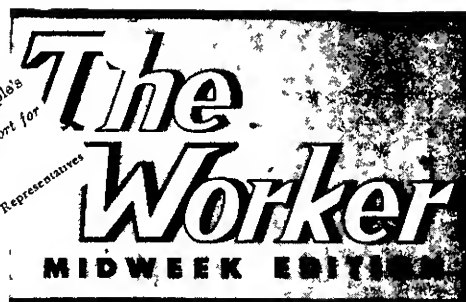

1. The W E B Du Bois Clubs of America are named after a Negro educator who publicly joined the Communist Party in the United States at the age of 93
2. The Worker, the Communist Party newspaper, reported favorably on the founding convention, in San Francisco, of the Du Bois Clubs. According to The Worker, "A national socialist youth organization was born." Today the Communists use the word socialist to describe their program of world domination
3. One Carl Bloice was elected a national officer in the Du Bois Clubs. The Worker pointed out that he is a staff reporter for The People's World, which is the west coast equivalent of The Worker, a newspaper published by the Communist Party
4. The Communist youth magazine, New Horizons, folded when the Du Bois Clubs were founded and was taken over, conveniently, by the Du Bois Clubs
5. Phil Davis, President of the Du Bois Clubs, has attended Communist Party classes in California, and when asked by a reporter if he was a communist, he took the "Fifth"
6. Archie Brown attended the founding convention. He is an admitted Communist and has run for public office in California as a Communist

## A Soviet Balalaika Is Added To Pete Seeger's Repertoire

PETE SEEGER  
Historic concert

By ESTHER SHIELDS

MOSCOW — Pete Seeger, back in Moscow after a triumphal ewing through other Soviet cities was telling me about his enthusiastic audiences when a birthday present arrived from his new Soviet friends. It was a balalaika sent by the Philharmonic society.

You'll be playing it in your next concert, predicted one of Pete's friends, and that will really bring the house down. Even without the balalaika

Pete had no difficulty in winning his audiences in Leningrad, Kiev, Yalta, Tallin and Moscow. At least two concerts in every city. I couldn't imagine a friendlier audience, he exclaimed. At the economics institute last night, the crowd showed great eagerness in singing along with me. They sang well, too. And I had fun singing with youngsters at one of Moscow's special English school sessions. Soviet folklorists brought a group of men and women in their native to sing old-time songs for him. Songs for weddings and holiday

dancing, pensive and humorous love songs.

Pete added film footage of these singers to his world-tour collection.

I filmed one of the Piatnitsky Circus musicians, too. Pete said.

I was very glad to hear this. For I, too, have admired them for a long time.

Pete also met with young Soviet composers who performed their own songs and other compositions.

The Seeger also visited a

Ukrainian collective farm where Pete sang with local farm workers.

They visited the Kremlin Palace Museum, pioneer palaces and a Moscow factory.

"I was lucky too in being invited to Soviet people's homes where we could talk informally," Pete added.

Now the Seegers are on the homeward course. For more than eight months they have been on the go from country to country: England, Scotland and Ireland are the last stops. They return to the U.S. in June.

## All-star cast of singers oppose Prop. 14

LOS ANGELES — Three of the most famous names in the folk singing field, Pete Seeger, Joan Baez and Theodore Bikel, will make their first joint appearance on a West Coast stage on the evening of Sept. 23 at the Hollywood Bowl when they are scheduled to headline an diversified evening of folk music as has ever been heard.

From all parts of the country top folk singers are coming to the concert which is expected to play before the largest audience ever to attend such a festival as part of Southern California's effort to defeat the segregation initiative on the November ballot, Prop. 14. The program is sponsored by Young Californians Against Prop. 14.

Others who will perform at the Hollywood Bowl that night include The Dillards, Bessie Griffin and the Gray Singers, Joe and Eddie the Modern Folk Quartet and Hedy West. Tickets may be obtained from the Hollywood Bowl office, Mutual Ticket Agencies and of offices of the Automobile Club of Southern California. Prices range from \$2 to \$7.50.

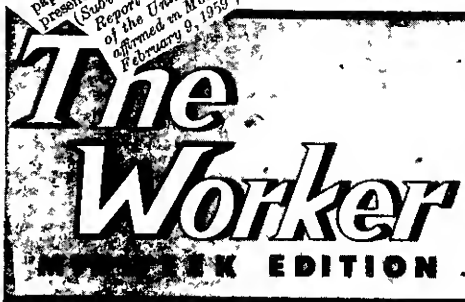

## Celebrities vs. Prop. 14

SAN FRANCISCO — A committee to defeat Prop. 14 has been formed in Hollywood under the chairmanship of film star Burt Lancaster. It will include Gregory Peck, Frank Sinatra, James Garner, Charlton Heston, Art Linkletter, Steve Allen, Peter Falk, Gene Kelly, Van Heflin, Robert Goulet, George Hamilton and Milton Berle.

As reported by The New York Times (Aug. 17), the committee numbers well over 100 and includes Gregory Peck, Frank Sinatra, James Garner, Charlton Heston, Art Linkletter, Steve Allen, Peter Falk, Gene Kelly, Van Heflin, Robert Goulet, George Hamilton and Milton Berle.

The organization's chief purpose, said Lancaster, will be to raise some \$750,000 for newspaper ads, TV and radio spots urging defeat of the proposition.

## Pete Captures Moscow with a Banjo and Guitar

By ESTHER SHIELDS

MOSCOW — Napoleon never conquered Moscow, but I'm sure Pete Seeger's friends will be surprised that he took the city in a single evening with only his banjo guitar and a little wooden whistle.

Pete's beguiling voice and bewitching enthusiasm won the large crowd crammed into the big Tchaikovsky Hall April 16. Well, he did have an advance assist from a Moscow TV interview the previous night. But the best proof that he captured his live audience is that they stayed on 30 minutes after he hummed clamoring for more. I never saw anything like it. Pete continued when I spoke to him after the concert.

He sang a generous program of 25 songs from different countries: songs of workers, songs of struggle, songs of peace, bourgeois blues and a song for Cuba's patriot Jose Marti. Mostly American songs of course. We shall overcome won the

most applause of all when Pete added at the end "Friends, this song is not just for Alabama and Mississippi. It's for you and me for them! And he swept his arms in a long swing away from the audience.

His Moscow fans knew what to ask for as encores: "When the Saints Go Marching" and "Joe Hill" were the two he chose to sing for them.

As usual, Pete got nearly everybody to join in singing some of the songs — particularly a South African song and Leadbelly's "Good Night Irene."

I predict that by the end of his tour here the whole Soviet Union will be singing in Hoosier-nanny.

After three concerts in Moscow, Pete will give at least 11 more in Leningrad, Kiev, the Crimea and Tobolsk.

Undoubtedly Moscow will demand still more on his return May 1.

Pete Seeger, his wife Tosi, their two children and manager

Hal Levinthal reached the Soviet Union after an eight months tour of many countries including Australia, Japan, Czechoslovakia and Poland.

From here Pete goes on to Scotland and Ireland. He will complete his encirclement of the globe by his return to New York in June.

Hundreds of eager young people stood outside Tchaikovsky Hall long before Pete's concert, pleading to buy anyone's extra ticket. Two enterprising youths wore pencilled signs to attract attention.

Inside the audience of over 2,000 included all ages but youth predominated and really everyone there was young with Pete!

REPORT

AND

TESTIMONY OF ROBERT CARRILLO RONSTADT

COMMITTEE ON UN-AMERICAN ACTIVITIES  
HOUSE OF REPRESENTATIVES  
EIGHTY SEVENTH CONGRESS  
SECOND SESSION

OCTOBER 10 1962  
(Including Index)

U S GOVERNMENT PRINTING OFFICE  
WASHINGTON : 1962

The hearings were provided by Youth Against the House Un-American Activities Committee, with headquarters in Room 201, 421 Seventh Avenue, New York, which issued bulletins and news releases attacking the hearings, chartered buses to carry youth protest delegations to Washington, held meetings and generally conducted a campaign of vilification against the committee.

One rally of the group held on January 31, 1960, featured Clark Foreman, executive director of a cited Communist front, the Emergency Civil Liberties Committee, as master of ceremonies. At that rally he lavishly praised Harvey O'Connor, an identified Communist. Pete Seeger, another identified Communist, provided entertainment. Mrs. Dorothy Marshall, who has a long record of service to Communist organizations over the years, was also featured on the program.

The committee also found significant the fact that the organization occupies the same rooms and uses the same staff as the Emergency Civil Liberties Committee, the principal aim of which is to abolish this committee and discredit the FBI.

After carefully evaluating the testimony and other evidence in its possession, the committee concluded that the Harlem Youth Congress and the Youth Against the House Un-American Activities Committee are organizations created and controlled by the Communist Party for the purpose of carrying on the Communist program among youth.

Several times in the course of the hearings when uncooperative witnesses expressed defiance of the committee, the protest delegation of the Youth Against the House Un-American Activities Committee, which packed the hearing room, broke into cheers and applause. The committee chairman had to threaten to clear the hearing room to maintain order.

The hearings provided a good example of how the international Communist apparatus functions in support of its own. At the time of the hearings the committee received 11 protest letters from youth organizations in as many foreign countries. Each of these letters expressed "sorrow," "concern," "astonishment," "distress," etc., that the committee had subpoenaed young Americans who had attended the Vienna Youth Festival in the interests of world peace.

The Communist inspiration behind these letters was apparent from the reference, in all the letters, to *only five witnesses*. Actually, ten witnesses who had attended the Vienna or other youth festivals were subpoenaed to testify in the hearings. The international Communist apparatus apparently had not heard about the four anti-Communist witnesses and did not learn about the sixth Communist witness (who was subpoenaed at a later date) until after the protest letters had been written.

COMMUNIST ESPIONAGE IN THE UNITED STATES

Testimony of Frantisek Tisler<sup>1</sup>

Grim new evidence of the Communists' determination to strip America of its military and political secrets was offered to the committee during the past year by the testimony of Lt. Col. Frantisek Tisler.

<sup>1</sup>See "Communist Espionage in the United States: Testimony of Frantisek Tisler, Former Military and Air Attaché, Czechoslovak Embassy in Washington, D.C., May 10, 1960, Hearing before Committee on Un-American Activities."

1480 COLD WAR AGAINST INVESTIGATION OF SUBVERSION

The chairman further described the book as "an absurd attempt to link the Committee to anti-Semitism, anti-Negro, anti-Catholic, and anti-immigrant prejudices."

SONGS

The February-March 1961 issue of *Sing Out*, an alleged folk song magazine, featured a propaganda song about the 1960 Communist-infiltrated riots against the committee. *Sing Out* is edited by Irwin Silber, who was identified as a member of the Communist Party in testimony given this committee in 1952. An associate editor of the magazine, Pete Seeger, has also been identified as a party member. The magazine frequently features favorite Communist Party songs and newly composed party-line lyrics.

Following, as one example of *Sing Out's* numerous anti-committee melodies, are the lyrics of the San Francisco riot song, written to the tune of "Billy Boy":

Did they wash you down the stair, Billy Boy, Billy Boy,  
Did they wash you down the stair, Charming Billy?  
Yes, they washed me down the stair,  
And they rearranged my hair  
With a club, in the city hall rotunda

Were there pigeons in the square, Billy Boy, Billy Boy,  
Were there pigeons in the square, Charming Billy?  
There were pigeons in the square,  
And stool pigeons on the air,  
And they fouled up the city hall rotunda

Did they set for you a chair, Billy Boy, Billy Boy,  
Did they set for you a chair, Charming Billy?  
No the D A R was there,  
And there wasn't room to spare,  
So we stood in the city hall rotunda

Was the house committee there, Billy Boy, Billy Boy,  
Was the house committee there, Charming Billy?  
The committee, it was there,  
Throwing slander every where,  
While we sang in the city hall rotunda

Did the people think it fair, Billy Boy, Billy Boy,  
Did the people think it fair, Charming Billy?  
No they didn't think it fair,  
And they notified the Mayor,  
And he wept, and he wept  
And he wept, and he wept,  
While they mopped up the city hall rotunda

CARTOONS

The Liberty Prometheus Book Club, New York City, has announced publication in the near future of a book entitled *A Quarter Century of Un-American*. The book will be composed of derogatory cartoons and similar "art" work created over the years by opponents of the committee.

Enclosed for each office is one enclosure consisting of six individually numbered Xerox copies of cartoons prepared and sent to the Bureau by the New Orleans Office. These cartoons depict Ku Klux Klansmen in conversations which tend to make the organization look ridiculous.

It is believed that by strategically disseminating cartoons of this type in areas frequented by Klansmen, a salutary effect will be achieved in causing Klansmen to think about the public image which they create.

It is also believed that strategic dissemination of this type of material will serve as a hindrance in recruiting programs among non-Klansmen.

Each office receiving this letter should review these cartoons to determine if any of these, or a variation of a cartoon, is suitable for use, anonymously or through friendly news sources within its field office territory.

In the event it is determined these cartoons would have counterintelligence value, and would not adversely affect our informant development program, the Bureau should be advised together with complete recommendations. Thereafter, the cartoon selected will be prepared as requested and forwarded with instructions relative to its use.

In the event any office believes a caricature-type cartoon, based on a different theme, could be effectively used to disrupt the Klan within its territory, a rough draft of such a cartoon should be submitted to the Bureau together with recommendations for its preparation and subsequent use.

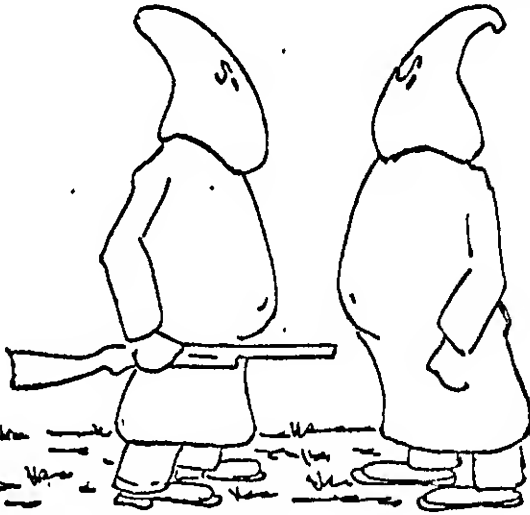

No counterintelligence activity should be taken without specific Bureau authority.

PERSONAL ATTENTION

RECEIVED OCT 10 1965

11-15-02 60290 BCE/ky/66  
#966268

I am well pleased with the positive results which have been realized as a result of the variety of counter-intelligence techniques and operations which have been directed against Klan-type and hate groups during the past several months.

The number of new, unique and ingenious counter-intelligence techniques which have been recommended by the field indicate investigative personnel are affording this program imaginative attention.

It is my desire, however, that all offices receiving this letter should very actively participate in this program maintaining an imaginative and aggressive approach. I also want to impress upon the recipient offices, that all investigative personnel responsible for Klan-type and hate group investigations be alerted and encouraged to submit counterintelligence recommendations relating to their individual investigations. The responsibility for counterintelligence action should not be delegated exclusively to the Agent assigned to the Program, who should be acting in the capacity of coordinator.

ReBulet to Atlanta dated 8/9/65.

A review was made of the Xerox copies of the cartoons enclosed with reBulet. It was concluded that the cartoons do not appear to lend themselves to counterintelligence value in this area. It is also felt that they could possibly have an adverse effect on the informant development program of this office.

The Jacksonville Office will remain alert to the possibility of using the cartoons in the future in the event there is an indication that they would be of counterintelligence value at that time.

COUNTERINTELLIGENCE PROGRAM  
INTERNAL SECURITY  
DISRUPTION OF HATE GROUPS  
(REVEREND CHARLES CONLEY LYNCH, AKA)

ReLAairtel captioned "Connie Charles Lynch, RM," dated 12/2/65.

Lynch, commonly known as Connie Lynch is a leading national speaker for the National States Rights Party (NSRP) and other hate-type groups. Lynch apparently is unemployed at present and presumably receives some form of compensation for his speaking efforts. He has at times reportedly been a member of the NSRP and Klan groups; however, Bufiles do not reveal a continuing membership for Lynch in any of the hate-type organizations.

He has advocated the use of violence against minority groups and has been convicted of assault with a deadly weapon.

Lynch again came to the attention of the Bureau regarding threats to FBI personnel when, during a speech on 10/28/65 at Natchez, Mississippi, he referred to FBI Agents as

"Nigger babysitters" and "haters of all white men." He is alleged to have said he would kill FBI Agents or anyone else if they molest his family or employees. During an interview on 9/28/65 by Bureau Agents for a similar comment, Lynch denied making any such statement but was hostile to the Agents.

It is pointed out that while Lynch may not currently have a hate group organizational affiliation, he is a very prominent hate group personality and has been very successful in stirring up violence in the past. For this reason, counter-intelligence measures taken against him should be conducted as though he were one of the leading officials of a group such as the NSRP or the Klan.

Lynch's automobile bears a California registration and he was last known to reside there. He follows a peripatetic way of life and may appear at any place throughout the country.

For the information of all offices receiving this airtel it is to be noted that although Lynch drives a 1958 Cadillac, four-door sedan, white over pink, bearing 1965 California license plate number LXX 891, he does not have a valid California drivers license, his license having been suspended by the State of California effective 8/5/63. Operator's license number Z405029 has not been surrendered or reinstated.

The Bureau desires that offices in whose territory he may appear be alert to advise the Bureau immediately, with a recommendation as to a reliable law enforcement agency which can be advised he is driving without a valid license and which can be relied upon to take appropriate action without revealing the Bureau's interest.

The Los Angeles Office is further instructed to be alert to immediately advise the Bureau and interested offices in the event Lynch's drivers license is reinstated by the State of California.

This information is being sent to the designated offices inasmuch as Lynch has visited these areas in the past, is scheduled to visit these areas or is likely to visit these areas.

Enclosed for each office that received the above referenced communication, is a photograph of the subject, having been taken at Los Angeles, California, on August 7, 1965, as he addressed an NSRP rally.

For the information of the San Francisco Office which did not receive a copy of referenced communication, LYNCH, commonly known as Connie Lynch, is a leading national speaker for the National States Rights Party (NSRP) and other hate-type organizations. He receives some form of compensation for his speaking efforts. LYNCH has been reported as a member of the NSRP and Klan groups, and he has advocated violence against minority groups and has been convicted of assault with a deadly weapon. In addition, LYNCH has referred to FBI Agents as "Nigger babysitters" and "haters of all white men", and to have stated that he would kill any FBI Agent who tried to exert his authority on him.

It is noted that LYNCH drives a 1958 Cadillac, pink in color, bearing California license LXX 891, however, he does not have a valid drivers license, his California license, No. Z405029, having been suspended by the State of California, but never surrendered by LYNCH or reinstated.

The Bureau desires that offices in whose territory LYNCH may appear be alert to advise the Bureau immediately, with a recommendation as to a reliable enforcement agency which can be advised that LYNCH is driving without a valid license and which can be relied upon to take appropriate action without revealing the Bureau's interest. The Bureau has further instructed that the Bureau and interested offices be advised if LYNCH's drivers license is reinstated by the State of California.

The San Francisco Office, at Sacramento, California, is requested to, through an established source, at the Department of Motor Vehicles, discreetly place an appropriate "stop" at DMV in the event LYNCH endeavors to obtain a new license or his old license is reinstated.

SUBJECT: COUNTERINTELLIGENCE PROGRAM

(RAY STEPHENS)

ReJKrep 2/11/66 captioned "Ray Stephens, aka;  
Racial Matters, Klan."

Referenced Jacksonville report reveals that Ray Stephens is employed as a supervisor by the Southern Bell Telephone and Telegraph Company in Jacksonville, Florida, and continues to serve as Klokann of Klavern Number 502, United Florida Ku Klux Klan (UFKKK).

You should check established sources to determine the exact place at which Stephens is employed in Jacksonville, Florida. Once this is ascertained, check to determine whether it is carried on the Key Facility List, inasmuch as certain facilities of the Southern Bell Telephone and Telegraph Company are. If it is, determine if you have any established, reliable and confidential source at that facility through whom you could determine the exact nature of Stephens' employment, and whether or not he has access to classified information in the course of his duties.

You should also advise the Bureau if the Jacksonville Office has a thoroughly reliable established source at the Southern Bell Telephone and Telegraph Company, Jacksonville, Florida, who might be utilized in a counterintelligence proposal to preclude Stephens from his employment or to encourage Stephens to report his Klan activities to the FBI. Take no action on the suggested counterintelligence proposal without prior Bureau authority.

Re Bureau letter to Jacksonville, dated  
4/5/66.

The only Klan organization of any significance in the Jacksonville Division, at the present time, is the United Florida Ku Klux Klan (UFKKK). As set forth in the report of SA [redacted] dated 2/21/66, there are 3 klaverns of the UFKKK located in Jacksonville, and 1 klavern each in Branford, SamsAlas and Green Cove Springs, Fla. Jacksonville klavern number 502 is currently the strongest and best organized klavern in the Jacksonville Division.

b6  
b7C

ALTON O. COOKSEY, who formerly acted as Grand Dragon for the State of Florida, is the Exalted Cyclops (President), of Jacksonville klavern # 502. [redacted] is the [redacted] of this klavern and the Grand Kludd of the UFKKK. [redacted] is the Klabea, (Treasurer), of this klavern and is the Grand Klabea of the UFKKK. [redacted] his wife, and member of Jacksonville klavern # 502. is currently handling the duties of the [redacted] of the UFKKK. Meetings of this klavern are frequently attended by [redacted] of the UFKKK.

b6  
b7C

As the result of the recent hearings of the House Committee on Un-American Activities, before which [redacted] members were subpoenaed, considerable disruption has been caused in the UFKKK. Included among those subpoenaed, all of whom refused to testify, was JOHN STOUDENMIRE.

The indictments of several klan members who refused to produce records at the hearings has added to the disruption, as the klansmen from Fla. also refused to produce records.

This klavern is now meeting in the homes of members to make it appear to be a supper club and has given up the regular meeting hall where it had held meetings for a number of years.

At a meeting of Jacksonville klavern # 502, held on 10/29/65, the Exalted Cyclops displayed a \$2500 cashier's check which represented the amount received from the sale of a piece of property owned by the klavern. [redacted] stated that he had drawn klan money in the amount of \$1000 out of a bank where it had been on deposit. A motion was passed to make the Exalted Cyclops the guardian of this money.

b6  
b7C  
b7D

At a state officers meeting held at Branford, Fla., on 11/7/65, it was decided to destroy all of the records of the state office concerning money. It was also decided that each klavern, if it had money in a bank, should remove the money from the bank so that there would be no records that might be located by the Internal Revenue Service.

At a meeting of the Board of Directors of the Paul Revere Historical Society, by which Jacksonville klavern # 502 is also known, [redacted]

[redacted]  
It was decided that all klavern money should be placed in the credit union at [redacted] where the [redacted] in the name of the Exalted Cyclops, where it will draw 6% interest and can not be identified as klan money.

As a further disruptive action, it is recommended that the following letter be directed

to the Internal Revenue Service, Jacksonville, with a  
conducted to [redacted], Grand Dragon, UFKKK;  
[redacted] Exalted Cyclops of Jacksonville  
klavern # 502, and to [redacted] Klabe of  
Jacksonville klavern # 502, and Grand Klabe of the  
UFKKK. The letter will be addressed to [redacted]  
and [redacted] using their klan titles, UACB.

Dear Sir:

I thought you might be interested in knowing  
that the Ku Klux Klan in Jacksonville is trying  
to hide the money they have so they won't have  
to pay any income tax on it.

They have taken all of their money out  
of the bank and it has been turned over to some  
of the klan officers to take care of.

Back in October, 1965, they sold a piece of  
property on Sunbeam Road, south of Jacksonville,  
for about \$2500. Alton Cooksey had a check for  
this much. I was told that John Stoudenmire took  
\$1000 in klan money out of a bank about the same  
time.

Mr. Cooksey is in charge of one of the klan  
groups in Jacksonville and Mr. Stoudenmire is  
the treasurer.

Now if these people are as true Americans  
and stand for everything good, as they claim,  
you would think that they would be glad to pay  
a little tax to help out their county.

**JK 157-863**

**I think you might better check into their money matters.**

**I am going to sent a copy of this note to JASON KERSEY, the head of the Florida KKK, to Mr. Cooksey, and to Mr. Stoudenmire, because I don't have anything to hide.**

RAY STEPHENS has been employed by the  
Southern Bell Telephone and Telegraph Co. since  
9/2/24. He is currently a Central Office Foreman,  
working in the Southern Bell Telephone and Telegraph  
Co. Building, located at 415 Clay St., Jacksonville.  
His working hours are from 4 p.m. to 12 midnight,  
Monday through Friday each week. During his shift he  
has an hour lunch period that can be taken at anytime  
he wishes.

His position as foreman is the first step  
in the line of management, which precludes him from  
any union membership. He is responsible for the  
maintenance and operation of telephone facilities for  
local service.

Housed in the same building at 415 Clay Street, Jacksonville, are the toll facilities which are controlled, maintained and serviced by American Telephone and Telegraph Co. These facilities are used for long distance toll calls and while these facilities are not classified in the strict sense of the word, they are vital to the national defense.

STEPHENS does not have access to any part of the facilities at 415 Clay St., Jacksonville, other than that pertaining to local telephone service in Jacksonville and these facilities are not of a restrictive nature.

STEPHENS is known to the Southern Bell Telephone and Telegraph Co. in Jacksonville for his staunch stand against integration and related activities, but the company has not been concerned over subject's activities as they have not interfered with his work.

STEPHENS is considered to be a very efficient employee of the company and his work is highly regarded. Mr. [REDACTED] stated that he understands that attempts have been made by the FBI, in the past, to interview STEPHENS concerning the KKK and related activities, but that STEPHENS has never been cooperative in any respect.

It is to be noted that the Department of Defense Key Facility List for the State of Florida lists Southern Bell Telephone and Telegraph Co., 415 Clay St., Jacksonville, Fla., as a Key Facility.

The Jacksonville Office feels that both [REDACTED] and [REDACTED] are reliable sources at the Southern Bell Telephone and Telegraph Co., however, because of the opinions expressed by these individuals as to the value of STEPHENS as an

b6

employee and the lack of concern over his activities during a non-working hours, it appears to be doubtful that any counterintelligence measure would be effective in this connection.

It has been noted by this office that in the past STEPHENS has been reported to have been in attendance at meetings of the National States Rights Party, the Duval County States Rights Association, and Jacksonville klavern # 502, United Florida Ku Klux Klan. It is not possible now, however, to determine if STEPHENS attended these meetings during his lunch hour or if they were attended on company time.

UACB, informants will be alerted to make note of the time STEPHENS arrives at and departs from any meetings in the future. In the event his stay at the meetings indicate that he has used a longer period than his lunch hour, a recommendation will be submitted and authority will be requested to furnish such information to the Southern Bell Telephone and Telegraph Co., Jacksonville.

Letter to SAC, Atlanta  
RE: THE NATIONAL COMMITTEE FOR DOMESTIC TRANQUILITY

The NCDT was founded on the basis that it will provide an effective counterintelligence tool against Klan and other hate group activities.

Recipient offices, to the exclusion of Baltimore, Chicago, and New York are authorized to anonymously mail copies of this newsletter to Klan members who might be most receptive to the line expounded in the newsletter. The NCDT newsletter might prove to be most productive in the hands of those subjects who are considered for interview in connection with the informant development program.

The offices indicated should promptly handle the anonymous mailing of the NCDT newsletter, maintain a permanent record of the identities of the subjects who receive the newsletter, and keep the Bureau currently informed of any tangible results noted.

Interested offices must insure that the anonymous mailings are made on each occasion from the same city so as to create the illusion that a chapter of the NCDT exists in that city.

Insure that copies of the NCDT newsletter are mailed in commercially-purchased legal size envelopes.

In order to show growth to the NCDT, Baltimore, Chicago, and New York will appear as chapters in subsequent publications.

As the NCDT newsletter will be periodically prepared by the Bureau, recipient offices are encouraged to submit imaginative proposals regarding the subject matter for subsequent newsletters.

Insure the usual precautions are taken to protect FBI interests in this matter.

Today we are again engaged in a great struggle in Vietnam, testing whether that nation, and our great country will survive the constant and insidious onslaught of communism.

Mindful of our brave men and women who have fallen thus far on foreign fronts in support of our military commitments, we must give of our full measure of devotion to insure that our noble dead have not died in vain.

The anti-Christ, the atheistic communist, the same communist who enslaves the Satellite nations, and now seeks to overrun our last line of defense in Asia, drains great support from the American scene when our domestic tranquility is turmoiled.

Transgressions of our domestic tranquility overtly grant aid and comfort to the enemy. The Soviet Communist, the Peking propagandist and the Viet Cong killer all derive great satisfaction from the communist inspired student riots in California, the draft card burnings, and other disruptionist activity.

Yet, how much greater their satisfaction, when, without the expenditure of one ruble, the communist conspiracy is effectively augmented by an unconscious agent, the Ku Klux Klan.

The great tradition of our Southland, written in the pages of History with the sweat, heartbreak and blood of our southern sons, has been perverted by the self-seeking machinations of Bob Shelton, Calvin Craig, Bob Scoggins, Sam Bowers, and other Klan leaders. Like the communists, they have duped their members, misapplied funds, and brought chaos to their communities. By placing themselves above the law of the land through the invocation of the Fifth Amendment, these irresponsible Klan leaders have joined hands with communists who also always hide behind the Fifth Amendment.

(over)

"QUIT THE KLAN, AND BACK OUR BOYS IN VIETNAM"

Thus, the honest, God fearing Klan Folk seeking only fraternity and friendship through Klan membership are also forced into a profile of friendship with the Communist Party.

It is to you, the misled and betrayed Klan members, that I humbly address myself. In the name of God, and in the name of our fathers, husbands, and sons who have made the supreme sacrifice in defense of their country, take a firm position now. Discard your Klan robes, disavow your Klan leaders, replace the black oath with a simple prayer, seek out and support your duly elected representatives, take your personal and political positions to the ballot box, and let the domestic tranquility reign, forming a solid front of democracy for our National Effort.

Please join with me and other former Klansmen in the furtherance of the National Committee for Domestic Tranquility, so that our Nation may long endure.

A source advised on August 20, 1955, that a new organization known as Florida Ku Klux Klan (FKKK) had been formed at Macclenny, Florida, on August 14, 1955, by former members of the Association of Florida Ku Klux Klan (AFKKK).

The objectives of this group, according to a second source, are to oppose integration in the schools and to fight communism.

Regarding AFKKK, a third source advised that a former official of the Association of Georgia Klans (AGK) formed an organization on July 7, 1953, known as AFKKK. The "Morning Tribune", Tampa, Florida, newspaper, in its August 11, 1955, issue revealed AFKKK disbanded on that date.

A fourth source advised on October 25, 1956, that AFKKK operated under the same principles and bylaws as the AGK. The AGK has been designated by the Attorney General pursuant to Executive Order 10450.

A fifth source advised on February 17, 1958, that the FKKK is operating and maintaining the same objectives as set forth above.

The sixth source advised on June 28, 1961, that at a meeting held in Orlando, Florida, on June 25, 1961, the FKKK and the United Klans, Knights of the Ku Klux Klan, Incorporated, in Florida, consolidated and the new organization is known as the UFKKK.

On August 8, 1965, the sixth source advised that the UFKKK is still in existence in Florida and maintains the same objectives set forth above.

**RACIAL MATTERS (KLAN)**

**Remylet 3/7/66.**

You are being forwarded under separate cover a supply of three different postal cards to be mailed by your office anonymously to a selected number of known Klan members. The supply of cards furnished is approximately equal to the number of individuals you indicated are present klansmen in your territory for whom you had a residence or business address.

The Bureau is not suggesting that these cards be sent to each of the klansmen whose addresses you have and it is being left to your discretion as to the extent of coverage you desire. In some areas where there are fewer klansmen, total coverage may be desirable. In other areas you may want to cover only a portion of the Klan members. The Bureau feels, however, that sufficient distribution should be made of the cards to insure that considerable Klan attention is drawn to them and that they will thus have the opportunity to serve the disruptive purpose for which they are intended.

RE: COUNTERINTELLIGENCE PROGRAM - KLAN

As you will note upon receipt of the cards, they question the secrecy of the klansman's membership and also question the use by Klan leaders of Klan funds. The Bureau feels these are two points in which the Klan organizations are quite vulnerable.

Obviously, it would serve no purpose to send a card of this nature to the top Klan leaders who are publicly identified as such and who are themselves the ones who might be suspected of misusing Klan funds. Other Klan members have also been publicly identified and would have no fear of additional public disclosure.

Every precaution must be taken to insure that the source of these cards remains anonymous and that any possible connection with the FBI is avoided. You should insure that there is no widespread discussion of these cards among clerical or Agent personnel and that only a limited number of individuals necessary for their preparation and distribution are aware of this program. The cards should be prepared by your office by addressing them by hand or on an older typewriter which does not have the business style type. If prepared by typewriter, insure that no typewriter used for outside correspondence is used in preparing these addresses since the Klan may attempt to obtain specimens of Bureau correspondence for comparison purposes. Also, if addressed by hand, block printing or some other change in normal handwriting should be made to avoid any possibility of comparison with normal handwriting of Bureau employees. However, changes in handwriting should not be so extreme as to show an obvious effort to disguise.

A four-cent stamp should be affixed and no return address should be shown. The cards should be dropped in outlying mailboxes, but none should be mailed from headquarters city or from a Resident Agency city. The mailing should be spread over the period of a month for each card and only a small number should be mailed at one time or at one place. Every effort must be made to avoid giving the Post Office officials the impression of a mass mailing. If an office feels it is desirable to do so, a portion of the cards may be prepared and sent to a neighboring office for sporadic mailing from an entirely different territory.

Airtel to Atlanta et al.  
RE: COUNTERINTELLIGENCE PROGRAM - KLAN

To obtain maximum benefit, you should consider mailing the cards to the klansman's business address and in some instances also to his residence since the former will tend to publicly identify him as a klansman, and the latter may cause dissension in his family. You must be certain that this mailing is limited to those individuals who have been positively identified as Klan members. One card should be selected for mailing during each of the next three months. When the mailing of each card is completed, you should advise the Bureau under the above caption of the total number of cards mailed that month.

Informants are not to be advised regarding the mailing of these cards but you should be alert to any information volunteered by informants regarding the cards and advise of any positive results achieved.

Dear Sir:

I thought you might be interested in knowing that the Ku Klux Klan in Jacksonville is trying to hide the money they have so they won't have to pay any income tax on it.

They have taken all of their money out of the bank and it has been turned over to some of the Klan officers to take care of.

Back in October, 1965 they sold a piece of property on Sunbeam Road - south of Jacksonville - for about \$2500. Alton Cooksey had a check for this much. I was told that John Stoudenmire took \$1000 in Klan money out of a bank about the same time.

Mr. Cooksey is in charge of one of the Klan groups in Jacksonville and Mr. Stoudenmire is the treasurer.

Now if these people are as true Americans and stand for everything good, as they claim, you would think that they would be glad to pay a little tax to help out their county.

I think you might better check into these money matters.

I am going to send a copy of this note to Jaser Kersey, the head of the Florida KKK, to Mr. Cooksey, and to Mr. Stoudenmire because I don't have anything to hide.

Yours truly,

A Disgusted Former Member

RE: COUNTERINTELLIGENCE PROGRAM  
157-9-12

In the event inquiries are made concerning the NCDT by interested intelligence agencies, you are not to divulge any information concerning the NCDT. Such inquiries should be promptly furnished the Bureau.

The Dallas Office has suggested that the NCDT utilize a post office box for the purpose of authenticity. The Bureau is directing the NCDT as a growth-type organization and will give consideration to the establishment of a post office box when such action is indicated.

You are instructed to follow closely the Klan reaction to NCDT correspondence through your established informant sources, and keep the Bureau currently informed of any tangible results noted.

The interest displayed in this matter by the Dallas Office is appreciated and all recipient offices are encouraged to submit proposals designed to perfect this counterintelligence activity.

During the past two weeks, Jacksonville informants have reported on the receipt of letters from the Domestic Tranquility Committee and the receipt of postcards depicting klansmen in various forms of concealment. Their reports on the reactions of fellow klansmen have been varied but uniform in the surprise indicated by klansmen that they are generally known by some group or person other than the FBI.

It is felt that this reaction could be further capitalized on by making known to the klan and other hate groups some of the personal and intimate information furnished by informants and obtained through independent investigation.

Jacksonville's thoughts in this matter are that a periodically publication could be sent to all known active klansmen if not on a national scale, on the state level. The publication would

not necessarily be scheduled but would be published at such time as a sufficient amount of information had been gathered to warrant it being sent. The publication could be of a newsletter type, or in the form of a newspaper bearing a name. As an example, a publication distributed in Florida could be appropriately named "THE FLORIDA SEGREGATOR". Each Florida office could contribute information to the publication and it be consolidated into one single publication and mailed from a central location either within or out of the State of Florida. The mailing list could be changed as the membership of the different klans and hate groups change.

As an example of the type information that could be published, it is felt that a very desirable effect would be achieved if it became generally known that [redacted] Grand Dragon of the United Klans of America, Inc., Knights of the Ku Klux Klan, was suspected of having an affair with a prostitute in Miami, Florida, and [redacted]

[redacted] It is also believed that it would be extremely embarrassing to [redacted] Grand Dragon of the Militant Knights of the Ku Klux Klan if it were generally known that he is [redacted] had [redacted] for Negroes in [redacted]

It is requested that the Tampa and Miami Offices make comments or suggestions on the feasibility of this suggestion.

The mailing of the first set of postal cards, furnished by the Bureau, was completed on 5/16/66. The cards were mailed to 43 klan members in the Jacksonville Division in accordance with instructions set forth in re Bureau airtel.

To date, no positive results from this first mailing of postal cards has been reported by informants other than that klan members are speculating as to who might be doing the mailing.

The mailing of the second set of postal cards will be made during the month of June, 1966.

This office will remain alert for any positive results achieved by the mailing of these cards and the Bureau will be advised.

Enclosed herewith for the information of recipient offices, to the exclusion of Richmond, is a copy of a Bureau-approved Klan joke book entitled "United Klowns of America, Inc., KKKK." Also enclosed for the Richmond Office are 60 copies of the same production.

The enclosed joke book has been designed to embarrass the United Klans of America, Inc., and its leadership.

The Bureau desires to create the impression that [redacted] United Klans of America, State of Virginia, is the originator of the Klan joke book and other anonymous mailings directed against James Robertson Jones and Robert Marvin Shelton, respectively, the Grand Dragon, State of North Carolina, and Imperial Wizard of the United Klans of America, Inc.

[redacted] with Bureau authority.

MM 157 1114

In connection with the proposed rally at Oakland Park, Miami recommends the following counterintelligence measure for Bureau approval.

Repeated and confirmed reports by informants disclose that [redacted] and other lesser klan officials occasionally carry concealed weapons on their persons at rallies. Fla. State criminal statutes and most municipal ordinances within the State of Fla., prohibit the possession of concealed weapons.

b6  
b7C  
b7D

[redacted] is the Miami klan informant in the best position to know if [redacted] and/or other klan officials have in their possession concealed firearms. If this informant should learn at the proposed rally of 5/4/68, that any klansman is so armed, he will have no way to convey this information to his contacting Agent so that local authorities can be advised. If the source were to leave the rally area to notify his contacting Agent, this fact would be noticed by klan officials, especially if his departure were followed by an arrest.

Miami requests Bureau authority to have an experienced and mature Special Agent of the Miami Division who is not assigned to the Ft. Lauderdale RA, and whose identity is not known to klansmen at Ft. Lauderdale, attend instant rally as a spectator.

In the event [redacted] discovers a concealed firearm on a fellow klansman, he can surreptitiously and inconspicuously pass this information to the SA at the rally who in turn can leave the rally site and notify the SA maintaining liaison with local police authorities of the identity of the klansmen so that an arrest can take place.

It is pointed out that recent klan rallies at which Imperial Wizard ROBERT SHULTON has made personal appearances, have drawn large crowds and that most of these

NM 157-1114

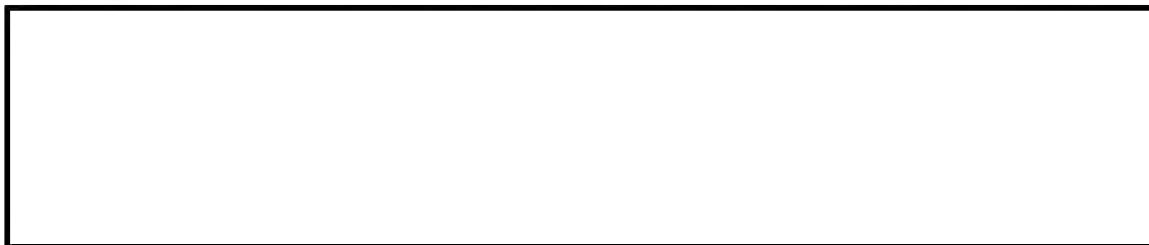

spectators are obviously curiosity seekers. As an example, the July, 1965 rally at Ft. Lauderdale, where SHELTON was the principal speaker, drew close to 2,000 persons, whereas the UKA rally in February, 1966, at Ft. Lauderdale, which was not attended by SHELTON, drew only a handful of spectators.

It is suggested that an editorial by the "Ft. Lauderdale News" newspaper a few days before the rally, urging curiosity seekers to remain away from the rally site, may help offset SHELTON's personal appearance.

This editorial could point out that SHELTON is currently under a contempt citation by the U. S. Congress for pleading the Fifth Amendment before the HCUA; that South Fla. needs neither the KKK, the Communist Party nor the Black Muslims to stir up racial hatred in an otherwise progressive and peaceful community.

This editorial could contain a warning to the curiosity seekers that by attending the rally they are playing into the hands of the KKK and that, in fact, a Klan rally is not a very interesting affair, being nothing more than a contest to see which speaker can shout "nigger" the loudest.

The Bureau most likely has previous editorials of this nature which could be of assistance as a model in the preparation of an editorial for the "Ft. Lauderdale News."

[redacted] advised that [redacted] does not possess a printing press. Informant also advised he had no knowledge that [redacted] was producing and mailing post cards of the nature referred to in retel.

[redacted] advised on 5/23/66 that [redacted] does not possess a printing press to his knowledge. Informant stated former klanman [redacted] works for a printing company and would possibly be in a position to do printing for [redacted]. Informant had no knowledge that [redacted] was producing and mailing the post cards mentioned above.

[redacted] Jacksonville, Fla., was interviewed on 5/24/66 by SAs [redacted] and [redacted] under the pretext [redacted]

[redacted] furnished the following information during the interview:

[redacted] has not been requested by anyone to produce the above-mentioned post cards, however, he had heard of the cards. [redacted] told [redacted] he had received such a card and asked [redacted] if he could tell who printed it. [redacted] advised [redacted] it would be impossible to tell who printed the cards. [redacted] was upset because.

he had received the card and indicated to [redacted] he believed it was probably printed in "South Florida." [redacted] did not ask [redacted] to reproduce the card and [redacted] would have refused if [redacted] had requested him to do so. [redacted] has both Negroes and klansmen for customers and he would not print anything of this nature which could be used to hurt his business. [redacted] printed all of [redacted] and has known [redacted] for a long time since they went to [redacted] together. [redacted] said he knew HASSEY was a klansman but that he, SANDERS, did not agree with HASSEY on this subject and he personally believed the klan was out-dated.

[redacted] stated the printing equipment necessary to reproduce these cards is very expensive and [redacted] did not possess this equipment. [redacted] said he has the equipment to reproduce the cards as does any number of other printers in Jacksonville.

[redacted] said he had no knowledge of who had produced the cards or that [redacted] had been involved in producing the cards or had any intention of reproducing them. [redacted] said he would notify this office in the event any information came to his attention that the cards were being reproduced locally.

[redacted] former klansman and employee of [redacted] Jacksonville, was discreetly interviewed on 5/25/66 by SAs [redacted] at which time he furnished the following information:

JK 157-863

[redacted] contacted [redacted] a couple of weeks ago and showed him the post card he received. [redacted] wanted to know if [redacted] could tell who had printed the card. [redacted] could not tell so he accompanied [redacted] to [redacted] Printing Co., to determine if [redacted] had any idea who could have printed the cards. [redacted] could not tell either who printed them. [redacted] did not say anything to [redacted] about reproducing the cards. The company [redacted] works for uses "silk screen process" and does not have the equipment to make exact replicas of the card.

[redacted] stated [redacted] indicated he believed a former klanman may have sent the card but he did not specifically name any individual.

In regard to [redacted] mentioned in retel, [redacted] [redacted] advised on 5/14/66 that [redacted] is a braggart and loud mouth and considered to be a pest by many of his associates. [redacted] had no information concerning the post cards.

It is noted that this office has not received any information to date indicating these post cards have been sent to any state or Federal officials.

The Jacksonville Office will remain alert concerning this matter and if any pertinent information is developed the Bureau and the Miami Office will be promptly advised.

The Miami Office should advise of any further information developed indicating the post cards have actually been reproduced.

JK 157-863

Observations concerning possible exposure of the klan in this matter will be held in abeyance pending development of further details and verification of the klan's involvement.

ReJKairtel 5/18/66.

Your suggestion set forth in reairtel regarding the establishment of a sham publication, possibly entitled "The Florida Segregator," has merit. However, authority is denied for you to develop a sham publication which blatantly suggests segregation.

The National Committee for Domestic Tranquility (NCDT) is the Bureau-approved vehicle for attacking Klan policies and disputes from a patriotic, common-sense and low-key position, avoiding the segregation issue.

The NCDT National Newsletter which is periodically published indicates that a chapter exists in Florida and it is most logical that such a mythical chapter should operate in the Jacksonville area, producing a less formal bulletin on NCDT letterhead.

Conceivably, a Jacksonville NCDT Chapter could include in its publications, ideas and concepts also contributed by the Miami and Tampa Offices and directed at the disruption of the Klan.

Letter to Richmond  
RE: COUNTERINTELLIGENCE PROGRAM  
157-9-41

As you are aware, the NCDT is a Bureau-inspired cover organization which provides a ready vehicle for attacking Klan policy and disputes from a low-key, common sense and patriotic position.

The Mobile Office has advised that as a result of the mailing of the last NCDT bulletin, the United Klans of America, Inc., in Alabama reaction was "frantic" and "greatly disturbed." Mobile considers the initial Klan reaction to the NCDT publication as very favorable.

The substantive portion of this special newsletter is directed at the Grand Dragon for United Klans of America, Inc., State of Virginia, who is attempting to build the Klan in Virginia and is also attempting to harass FBI Agents charged with investigative responsibilities in Klan matters.

Recipient offices, to the exclusion of Baltimore, Chicago and New York, are authorized to anonymously mail their copies of the newsletter and membership card to klansmen who might be most receptive to the line expounded in the newsletter. You should include in your anonymous distribution, klansmen who received the first bulletin published by the NCDT.

The offices indicated should promptly handle the anonymous mailing of the NCDT newsletter and membership card, maintain a permanent record of identities of the subjects who receive this mailing and keep the Bureau currently informed of any tangible results noted.

The heavy concentration of this mailing will, of course, take place within the State of Virginia and should create the illusion that a vociferous chapter of the NCDT is vigorously growing in Virginia.

Insure that copies of the NCDT newsletter and membership card are mailed in commercially-purchased legal size envelopes and that every effort is taken to afford maximum protection to the FBI interest in this matter.

Letter to Richmond  
RE: COUNTERINTELLIGENCE PROGRAM  
157-9-41

As the NCDT newsletter will be periodically prepared by the Bureau, recipient offices are encouraged to submit imaginative proposals regarding the subject matter for subsequent newsletters.

Keep the Bureau currently advised of tangible results noted in this matter.

My fellow Americans,

ARKANSAS

"The recent response to the National Committee for Domestic Tranquility evidenced by the mass exodus of Klansmen from the United Klans of America in the great State of Virginia has revitalized our belief that present day Klan leaders are in general, in league with the Anti-Christ.

FLORIDA

"The belief that the Anti-Christ seeks to destroy the Christian world was recently demonstrated by the Grand Dragon of the United Klans of America in Virginia, when he publicly attacked, insulted, and damned the Baptist Church which had introduced him to Christ. The public rejection of Christ by a leading Klan official demands sincere meditation and reflection

"That we, the created, step back from the passing scene to make certain that our lives are directed towards eternal heavenly acceptance, is an urgent demand.

NORTH  
CAROLINA

"The Good Book, in the Sermon on the Mount, and in other inspired passages, not only brings us the word of heavenly life for the deserving, but also, thricefold, warns us of the eternal damnation of the living Hell.

SOUTH

"Knowing full well that the conduct of our personal affairs will warrant us an eternal life, be it Heaven or be it Hell, is it not fitting that we, the faithful, urgently offer a commitment to Christ so as to avoid the damnable fire of Hell that will separate the fallen souls from the Almighty, and the blessed departed kinfolk for an eternity of years.

TENNESSEE

"The decision is simple, the result -- the simplicity of eternal beauty or the complexity of despair. If your choice brings the despair, you shall not ask, "Oh Lord, why have you forsaken me" as you will then see, with blistering assurance, that it is you who have forsaken Him.

"We, former Klansmen all, who bear witness in the light of day, urgently beseech you to embrace our public commitment to Christ, and disavow the path of the Anti-Christ, delivered to you, the misdirected souls, on the sugary, forked tongues of deceitful Klan leaders.

"For you who seek Christ and reject the Klan, we have enclosed a membership card announcing your commitment to Christ.

"To join with us, merely display this card in your home which will demonstrate to those who are really concerned about you that "A Klansman I Was, A Christian I Am."

Re Bureau airtel to offices indicated below dated 4/28/66.

For the information of the Bureau, the Jackson Division mailed 13 of the postcards in connection with this program to known Klansmen in Hattiesburg, Miss., during the month of May. Subsequently, on 5/23 and 24/66, five individuals of Hattiesburg, Miss., contacted the Resident Agency at Hattiesburg and exhibited pink postcards similar to those in this program in that they were printed on pink postcard type material with what appears to be an exact duplication of the message and characterization on those cards sent to Klansmen. They were postmarked Hattiesburg, Miss., 5/21/66 and were addressed by typewriter as were those sent to Klansmen.

A comparison of the postcards furnished by the Bureau with those received by the five individuals above indicates that the

Mr. [redacted] furnished the names of two other individuals who reportedly received these card, however, they have not contacted the Bureau. Their names are Mr. [redacted] of [redacted] and [redacted] Hattiesburg. None of the above seven individuals are known to have any connection with the Klan. It is noted that three of the Klansmen who received cards from the Bureau are either employed or connected in some way with three of the above seven individuals.

There has not been reported from any other source in the Jackson Division a similar activity on the part of the Klan subsequent to the implementation of this program.

Enclosed for the Bureau are two of the postcards in question. The FBI Laboratory is requested to examine the enclosed postcards to determine the type of typewriter used and the technique of copying the printed material and advise Jackson for future reference.

In view of the above, the June and July mailing of cards as originally planned in Hattiesburg will be suspended, UACB. UACB, Jackson will suspend future mailing of cards in this program in any city where this may develop. Jackson will follow and keep Bureau advised of any similar incident along this line, however, no investigation is being instituted in this regard.

ReJKAirtel to Bureau, 5/18/66, concerning  
The Florida Segregator, and Buairtel to JK 5/27/66, which  
pointed out that NCDT has already been established.

The Tampa Office feels it is conceivable we could  
become "top heavy" and there are already numerous projects  
and efforts under way in captioned program. With the best  
interests of the Bureau in mind, it would seem that  
consideration of one or two projects would achieve greater  
results than through numerous projects.

It is anticipated that whenever the Tampa Office  
hears or develops any information on a member that action can  
be taken against, such information will be furnished to the  
Jacksonville Office for its consideration in inclusion in  
any type bulletin devised or suggested by Jacksonville under

Jacksonville, Tampa has opened a separate case on the NCDT

During May, 1966, Tampa informants have reported  
on the receipt of letters from the NCDT, as well as  
receipt of cards which apparently identify them as klansmen.

[redacted] advised that on 5/15/66 at the special  
State Officers and Exalted Cyclops meeting of the UFKKK in  
Orlando, Fla., there was a discussion on the NCDT letters  
that some members had received. Source reported it was voted  
to have a lot of cards like the one [redacted] of  
Jacksonville, Fla. had received printed up and [redacted]  
[redacted] was to get a committee that would  
be responsible for sending these cards throughout the state  
to those who are not favorable to the klan. The purpose  
is that this might get people confused on how many klansmen  
there are.

Postcards of this type have been received by many Klansmen in North Carolina. Many of those persons receiving them have speculated they may have been distributed by MALCOLM SEAWELL, Chairman of a North Carolina State anti-Klan committee appointed by the Governor.

According to [redacted] North Carolina [redacted] [redacted] is planning to have 10,000 cards, as nearly identical as possible, printed and mailed at random to non-Klansmen throughout North Carolina. The purpose of this will be to make the present anonymous campaign backfire, and make the labeling of Klansmen ineffective by distributing it widely among non-Klansmen.

In connection with the belief of some North Carolina members that the distribution of the original cards is by MALCOLM SEAWELL, it is commented by Charlotte that as soon as North Carolina Klansmen learn similar cards have been distributed in other states, they will realize it was not done by SEAWELL.

ReJKairtel to Bureau, 5/18/66. Buairtel to Jacksonville, 5/27/66, and TPairtel to Jacksonville, 6/2/66.

Referenced Jacksonville airtel to the Bureau, in referring to a possible title for the proposed sham publication, should have been explicit with regard to proposed name "Florida Segre Gator" as the word should not have been hyphenated as in referenced airtel. This proposed title was intended to capitalize on a common usage of the term "Gator" in reference to Florida and floridians. Jacksonville is of the opinion that such a title would not be necessary to make the publication effective but was proposed for reasons of identification of the publication only.

Recognizing that the National Committee for Domestic Tranquility (NCDT) is the Bureau approved vehicle for attacking klan policies, Jacksonville's original thoughts on the proposed publication were that it would be used to embarrass individual klansmen among fellow klansmen and capitalize on friction and ill feelings

which exist between them. This would differ from the purpose of the NDCT which attack klan policies from a patriotic, common sense and low key position.

The proposed Jacksonville publication would be more crude in its drafting and publishing and if prepared at Jacksonville, would be typed on multilith with use of a typewriter not used in preparing outgoing communications, and published on unwatermarked paper and mailed in envelopes obtained through regular retail outlets. Each publication would contain items concerning relatively few klansmen and would be the type information generally available to anyone who followed klan activities through associates at rallies and having a limited acquaintances among klansmen. Although informant information may be used in the publication it would be so general in nature so as not to pinpoint.

The following is set forth as an example and Jacksonville is requesting permission to prepare this publication as set forth above, and mail it to persons identified in the publication and to a limited number of officers and members of the klan groups referred to who are generally known to be officers or members through their expressions in public identifying themselves with those organizations.

TO ALL FLORIDA KLANSMEN:

Having been a member of the klan years ago when the klan was "THE KLAN," I thought sometime back that maybe it would be getting started again and so I started attending rallies and talking to a few old friends thinking maybe I could be of some help. However,

JK 157-863

I have been very disappointed in what I have seen and heard and would like to advise you of some things. I have come in contact with and to let you know what I think of it.

Over the weekend of June 4, I had the opportunity to go to Green Cove Springs, Florida, and attend a rally of the Florida Klan held south of that city. The only thing good about the rally is that SADIE STOUDENMIRE did not speak. There were so few people there, other than the regulars, that some one mentioned that they were probably all HERMAN CLARK's relatives. If I were HERMAN, I think I would have Rev. BYRD make a record of this speech and just play it at the next rally rather than pay him to come all that way from Lakeland.

In spite of the poor showing and the poor organization at the Green Cove Springs rally, that Jacksonville bunch doesn't have a whole lot to crow about. That rally they put on April 16 was probably the worst ever. Thank goodness, SADIE hadn't brought her notes or boredom would have added to the confusion. GENE WILSON did a pretty good job for not being prepared, but WARREN FOLKS could have been a lot better.

The old folks in #2 in Jacksonville, someone said, were holding their meetings behind SADIE's petticoats. If they aren't holding them there, I don't know where they are holding them

JK 157-863

and they are really doing their part in keeping the empire invisible. The way AADIE talks you begin to wonder whether maybe the Grand Dragon doesn't live in Jacksonville rather than in Satsuma. Someone else said that she may be the dragon but she sure isn't grand.

Maybe now that GENE FOREMAN got fired from his job at the hospital the Militant Knights can put on a rally. Someone told me that he was doing a good job at the hospital emptying those bedpans. They said that the Niggers were real happy to think that the Grand Dragon would empty theirs.

GENE is really upset about all the Niggers in Jacksonville that are shacking up and having kids and living on welfare. At least he and BARBARA haven't any kids and they aren't living on welfare.

Little DONALD BALLENTINE and ROBERT CORNWALL are probably the brains behind the Militant Knights because FOREMAN just doesn't have any from what BALLENTINE says. BALLENTINE must have enough lumber and burlap in his garage to build crosses for all klan rallies in the State of Florida held between now and New Year, 1970.

From what I seen and heard, things are really a mess in Florida and I think it would probably be a good idea to get rid of all the kit and caboodle and start all over again.

JK 157-863

The above approach is being used to make it appear that the writer is a former klansman acquainted with a number of those who are presently active. From time to time Jacksonville informants will pick up information concerning conversations between active klansmen who discuss former members as possibly giving information to the FBI and other agencies on their activities.

Reference is made to the rally at Green Cove Springs on 6/4/66 and in Jacksonville on 4/16/66 as they were public gatherings and were considered to be complete failures with regard to organization and attendance. [redacted] had seen [redacted]

[redacted]

on 6/4/66. This situation is used in making reference to the possibility of recording [redacted] speech and then playing it at subsequent rallies. It was generally known in Jacksonville that [redacted] was quite concerned about how the rally would turn out in Green Cove Springs, thinking that if it was a failure that it would be very harmful to the klan image there. The present family is quite large and they all reside in a small area of Green Cove Springs and therefore the reference to his relatives being the only ones present other than the regulars.

SADIE SToudenMIRE has been speaking quite regularly at all rallies of the United Florida Klu Klux Klan (UFKKK) and her speeches have been very uniform in giving the history of the klan. Informants have indicated that the people who regularly

b6  
b7C  
b7D

JK 157-863

attend are very bored with her speech and often criticize her when she is not present. GENE WILSON, former Exalted Cyclops of Robert E. Lee Klavern #513 of the UFKKK in Jacksonville, was present at the rally on 4/16/66 but had not been scheduled to speak, but was called on to do so when no other speakers were present. His speech was strictly political in that time he was running for the Florida House of Representatives. The speech was quite short and more or less an appeal for votes.

WARREN FOLKS, a well-known racial agitator in Jacksonville, was also a candidate for the Florida House of Representatives. His campaign was originally with the support of the National States Rights Party (NSRP), but this support was withdrawn late in the campaign and created ill feelings between [redacted] and [redacted]. The expression made in the above that [redacted] could have done better than [redacted] is intended to capitalize on this friction.

b6  
b7C  
b7D

Reference is made to "old folks in #2" in reference to Jacksonville Klavern #502 which is known generally throughout the klan in Jacksonville as being a haven for older klansmen. This group has been quite concerned about their activities being generally known and has made it a practice in the past several months to meet in members' homes rather than at the regular meeting spots. The meeting place will change weekly, usually. SADIE STOUDENMIRE is active in this group and informants indicate that she is quite outspoken and very direct and not very well thought of by her fellow klans people. She has become very influential with the Grand Dragon JASON KERSEY from Satsuma and when they are together at a klan gathering he will indicate to people making any inquiry about the klan that they should talk to SADIE. There had been some

JK 157-863

discussion among a few klansmen that they would use an anonymous mailing campaign to try and remove SADIE from her position of influence.

Reference is made to GENE FOREMAN, Grand Dragon of the Militant Knights of the Klu Klux Klan (MKKKK) who for a period of a few weeks worked as an orderly at Riverside Hospital in Jacksonville. He was fired from this position approximately two weeks ago and the reference to the emptying of the bedpans is made to embarrass him. He is living with [redacted] at [redacted] Jacksonville. They are not married.

b6  
b7C  
b7D

DONALD BALLENTINE is currently associated with the MKKKK, although not a member, and on occasion he has indicated a dislike and distrust of [redacted] is [redacted] and reference is being made to him in this publication to protect him and that he, BALLENTINE and [redacted] are the most active of this group. BALLENTINE lives at 3834 Notter in Jacksonville, next door to [redacted] of the Intelligence Division of the Jacksonville Police Department, who has repeatedly contacted this office and stated that BALLENTINE spends a great deal of time in his garage apparently building crosses and she has seen him hauling lumber into it and anything taken out is done under the cover of dark. Informants have indicated that BALLENTINE has a large quantity of lumber suitable for the building of crosses and also a large quantity of burlap with which to wrap them.

Should the Bureau grant Jacksonville permission to publish and mail the above, it would be sent to all persons referred to in the publication plus a selected number of state officers of the UFKKK and a selected number of officers of the Klavern #502 of UFKKK. In addition, it will be

JK 157-863

mailed to [redacted] of  
[redacted] of the UFKKK in Jacksonville, who  
has been at the latest series of rallies of that  
group and who is generally known as a klan  
member. It will also be mailed to a selected  
number of officers of Robert E. Lee Klavern  
#508 in Jacksonville.

COUNTERINTELLIGENCE PROGRAM - KLAN  
RACIAL MATTERS (KLAN)

ReMMtel 5/20/66 captioned as above and TPairtel  
enclosing letterhead memorandum both dated 5/18/66, captioned  
"United Florida Ku Klux Klan, Racial Matters (Klan)."

In view of the information developed that klansmen  
are reproducing postal cards which have been received by  
certain klansmen, you should discreetly endeavor to develop  
information which could be used to identify one or more  
klansmen as being responsible for the mailing of these cards.  
It is possible that some situation will arise leading to  
an arrest by local authorities, at which time a supply of  
these cards would be found in the possession of a klansman.  
Each office should consider requesting a handwriting exami-  
nation if cards of this type are received by prominent  
individuals and brought to your attention. Comparison of  
handwriting should be requested with known specimens of  
[redacted], which are in possession of the Miami  
Office and with any other suspected klansman who might  
participate in addressing such cards.

You are again cautioned that information concerning  
this project must be kept to a minimum within your office  
and under no circumstances is any person outside the Bureau  
to be made aware of any Bureau connection with these cards.

Lakeland, Fla.  
May 16, 1966

There was a special State Officers and Exalted Cyclops meeting of the United Fla. Ku Klux Klan at the Sherwood Klavern in Orlando, Fla., on May 15, 1966, at 11:00 AM.

There were 31 present and those recognized were:

East Hillsborough Sportsmans Club-Plant City

"

Pioneer Club - Lake Wales, Fla.

"

Confederate Club - Dade City, Fla.

St. Augustine, Fla.

Orlando, Fla.

The meeting was opened by [redacted]

[redacted] said that a letter has been sent off to get the latest bills that are to be passed on in the near future. She said she would send them out as soon as she gets them.

[redacted] told the group he thought they should stick to one candidate in the race for governor and most present said they were for Burns.

There was a discussion on some letters that some of the members have received in the mail. One of these letters was from an organization called the National Committee for Domestic Tranquility.

Some of these letters were postmarked Clearwater, Fla., and some were Jacksonville, Fla.

This letter tells the Klan members to get out of the Klan and back the boys in Vietnam.

[redacted] received a post card that reviled her as a Klansman and said that some know she is a Klansman.

b6  
b7C

One letter was a copy of one sent to the Internal Revenue Department stating that the money of the United Fla. Klans had been taken out of the bank so they would not have to pay taxes.

The letter also told of some property that a Klan unit in Jacksonville had sold.

[redacted] said that the person that wrote the letter had to be in the Klan to know as much as he did. The letter was not signed.

It was voted to have a lot of cards like the one [redacted] received printed up and [redacted] is to get a committee that will be responsible to send these cards to men through the state that are not favorable to the Klan. The purpose is that this might get people confused on how many Klansmen there are.

[redacted] had the group elect a nominating committee to work on the list of men they will recommend for the State Officers at the State meeting to be held on the third Sunday in June at the Sherwood Klavern where all State officers will be elected.

There were seven elected by the group and they are:

[redacted]  
F.N.U.  
F.N.U.  
F.N.U.  
F.N.U.

[redacted] told of some groups of Klansmen that are still around but are acting independent because they cannot be seen with members of the United Fla. Ku Klux Klan.

She suggested that the United Fla. K.K.K. find some way to work with these people and not mingle with them but just get their support.

[redacted] was appointed Titan of #2 Province which

Re Bureau airtel, 6/2/66, and Jacksonville  
airtel 5/25/66.

To date, there is no evidence that the postal  
cards in question have been reproduced in the area of  
Florida covered by the Jacksonville Office. No information  
has come to the attention of this office to indicate that  
any non-klan members in this Division have received any  
reproduced cards from within or without the Division.

The only positive reaction received from the  
mailing of the first set of postal cards is speculation  
among klan members as to who mailed the cards.

Instructions set forth in Bureau airtel, 6/2/66,  
will be closely followed and mailing of the second set of  
postal cards will be started in the near future, UACB.

Specimens Q1 and Q2 are printed on a salmon colored paper stock whereas the specimens used in this program have been printed on a paper stock having a truer pink color and the difference in color is immediately apparent.

Furthermore, in the preparation of the photographically produced plate which was used in the printing of specimens Q1 and Q2, there appears to be a small insect between the letters "h" and "i" in the word "behind" contained in the text of the message. This insect was probably on the card which was copied and, therefore, became a part of the plate which was finally produced.

## Result of examination:

Because of the limited nature of the typewriting and the indistinct impressions in the names and addresses appearing on specimens Q1 and Q2, it was not possible to determine the manufacturer of the typewriter used to prepare these specimens.

It was concluded that the cartoon and accompanying text on specimens Q1 and Q2 were prepared by an offset printing process.

Specimens Q1 and Q2 are retained in the Laboratory for future comparisons. No photographs have been made.

ReBulet, 5/27/66.

For the information of the Bureau, informants have reported to the Mobile Office the results of a meeting of Lawrence Lodge 610, United Klans of America, Inc., Knights of the Ku Klux Klan (UKA), Montgomery, Alabama, the night of 5/24/66. The main portion of the meeting was taken up with the discussion of recently received letters from The National Committee for Domestic Tranquility, which were postmarked at Mobile, Alabama. It appeared that a majority of the members had received these letters. This caused considerable concern among the group, as to how the information got out pertaining to membership of the klavern. Several theories were expounded upon, one of them being that it was the work of a Negro civil rights group that was out to break up and destroy the klan by implanting the seeds of suspicion and doubt in each member's mind as to how this information leaked out, and thereby causing the organization to crumble from within. The other theory was that the FBI, through a compiled list of names and addresses, sent these to members of the organization to achieve the same results.

ReCEairtel 5/31/66 and HOairtel dated 6/1/66. *#966268*

The Bureau was previously advised that Florida klansmen were considering reproducing these postal cards and some nonklansmen in the Hattiesburg, Mississippi, area have already received duplicates of one of these postal cards. Most of the offices involved in this Project have sent as the first card the one with the comment "Klansman - trying to hide your identity behind your sheet? etc.," and this is the card that various klansmen are considering reproducing.

In the immediate future, offices involved in the Project should mail the card with the legend "Which Klan leaders are spending your money tonight?" It is not believed that Klan leaders will be nearly so desirous of spreading this comment any further than the original mailings since even if it were mailed to numerous non-Klan members, it would still have a disruptive effect.

The fact that some klansmen are considering reproducing the first postal card may offer an opportunity for further counterintelligence action since the informant

coverage of your office may offer the opportunity to insure that local authorities arrest a klansman for a traffic violation or other minor infraction of law while in possession of a large number of such cards not yet mailed. You should be most alert for any such situation and immediately advise the Bureau together with your recommendations for taking advantage of any such developments. In this regard, you are reminded that prior Bureau authority is necessary and if a situation arises in which time is of the essence precluding a written communication to the Bureau, you should contact the Bureau by telephone prior to taking any action.

You are again cautioned that information concerning this Project must be kept to a minimum within your office and under no circumstances is any person outside the Bureau to be made aware of any Bureau connection with these cards. You should keep the Bureau advised of all developments and particularly with regard to the Klan reaction when the second card is mailed.

Re Bureau airtel to Atlanta 4/28/66, furnishing post cards to be directed to known Klan members.

During the latter part of May 1966 the Norfolk Office mailed 35 of the cards (showing KLANSMAN, Trying to Hide Your Identity Behind Your Sheet?...) to Klansmen within the Norfolk Division.

On 6/8/66 [redacted] advised that most members of Unit 32 of the Klan, Smithfield, Va., had received these post cards and they considered the cards a joke. However, on 6/6/66 a member of [redacted] County, Va., commented that some members of that unit had received this post card. The member indicated that he thought some civil rights group had sent this card to the various individuals.

[redacted] advised that he had also received one of the cards and was unaware of who had sent him the post card.

RE: Postal Card #1, Klansmen Trying to  
Hide Your Identity Behind Your Sheet?,  
Etc.

At a meeting of the United Knights of the Ku Klux Klan (UKKKK) on 5/18/66, part of the business meeting related to planning how the Klan could fight back at the anonymous person or organization which is sending out anti-Klan literature (Postal Card #1). It was decided that one of the Klan members would go to Jacksonville, Fla., and pick up 500 exact replicas of these cards to be made by Klansmen in Jacksonville. Plans were discussed and it was decided to mail the replicas of the original card to prominent citizens and political leaders throughout Florida. The Klan hope this would spark an FBI or police investigation into who is mailing these cards. It was first believed by most of the UKKKK that possibly members of the United Klans of America (UKA) were responsible for the anonymous mailing.

However, when it was later learned that the anonymous mailing was taking place throughout the country, this idea was disregarded.

At a meeting of the UKKKK on 6/15/66, the members again discussed the anonymous mailing. It was felt that some large organization in the civil rights movement is responsible for the mailing. The Klansman who was to pick up the 500 replicas of the original postal card in Jacksonville had not made the trip. A long distance telephone call was made to [ ] in Jacksonville, who had promised the Miami group to reproduce the card. It was ascertained through [ ] that the cards have been made and are on their way to Miami.

Members of the UKA in Broward County, Fla., had also discussed the anonymous mailing of the pink postal card #1. It was generally concluded these cards were being mailed by the Anti-Defamation League. This conclusion was reached after it was learned during a Klan rally in Broward County on 6/4/66, that the anonymous mailing was taking place throughout the country.

The mailing of the second postal card, "Which Klan Leaders are Spending Your Money Tonight?" is currently being handled by the Miami Division.

Jacksonville should continue, through the normal course of contacts with informants, to attempt to ascertain the individuals assisting [ ] in duplicating postal card #1.

Information copy being furnished to Tampa in view of their interest in this matter.

Re Jacksonville letter to Bureau, 3/24/66.

THREE-MONTH STATUS LETTER

1. Potential Counterintelligence Action

Potential Counterintelligence Action in the Jacksonville Division is the purposed publication "Florida Segre Gator" outlined in Jacksonville letter to the Bureau 6/9/66.

The Agents of this office handling klan and related matters are alert for any potential action in connection with this matter.

2. Pending Counterintelligence Action

The mailing of the third set of postcards furnished by the Bureau is currently pending in this office. This set of cards bearing the legend "Invisable Gov't. - someone is peeking under your sheet". It is the plan of this office to start mailing this set of postcards to klan members after 7/1/66.

3. Tangible Results

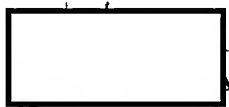

On 5/3/66, a Bureau approved letter was mailed to the Internal Revenue Service, Jacksonville, with copies to JASON KERSEY, Grand Dragon, United Florida Ku Klux Klan (UFKKK); ALTON O. The letter referred to money the klan was reported to be hiding in order to avoid paying income tax.

The mailing of this letter caused a certain amount of concern by the klan officers who received copies. [redacted] reported on 5/12/66 that he was called to the home of [redacted] on 5/7/66 at the request of [redacted] and [redacted] and the letter was read to him.

[redacted] UFKKK, was requested to try to find out who wrote the letter.

[redacted] advised on 5/6/66, that at a meeting of Jacksonville Klavern #502, UFKKK, held on that date, [redacted] read a letter which had been sent to the Internal Revenue Service advising that the klan was hiding money to keep from paying income tax. [redacted] asked those present who they believed might have written the letter. Most of the members agreed that the letter was probably written by a former member by the name of [redacted] who had been a trouble maker.

By letter dated 4/19/66, the Bureau was advised that RAY STEPHENS, an employee of the Southern Bell Telephone and Telegraph Company, Jacksonville, was reported to be attending klan and related meetings on evenings when he was supposed to be working. Informants were alerted to report the time STEPHENS was seen at these meetings.

An informant advised on 4/22/66, that at a meeting of the Duval County States Rights Association held on 4/19/66, STEPHENS said that he was now working on the day shift. Since STEPHENS is no longer working nights, this project was discontinued.

The following information was received as the result of the mailing of the first news letter prepared under the letterhead of "The National Committee for Domestic Tranquility" (NCDT), and the

[ ] advised on 5/3/66, that at a meeting of Jacksonville Klavern #502, UFKKK, held on 4/29/66, it was brought out that a number of the members had received a letter from the NCDT. None of the members had ever heard of this organization; however, they believed it to be some "Jew organization".

[ ] advised on 5/16/66, that there was a long discussion about a letter received by members from the NCDT and postal cards with a picture of a klansman hiding behind a sheet.

It was decided to make reprints of the card and mail them to elected officers in towns and cities in order to confuse the sender and others as to who belongs to the klan.

[ ] advised on 6/9/66 that in conversation with [ ] referred to above, on 5/3/66, she stated that the FBI had investigated a [ ] who is a printer in Jacksonville. The FBI asked [ ] if he printed some "pink" postal cards with a picture of a klansman on them.

[ ] is reported to have stated that the UFKKK intended to have some of the cards printed and sent to elected officers in several cities.

The UFKKK, at a State Officers meeting, decided not to have the cards printed because it was apparent that the FBI was trying to find out who was doing the printing for the klan.

The Bureau is referred to Jacksonville letter 5/25/66, for the results of an interview with [ ] a printer in Jacksonville, Florida.

[ ] advised on 5/6/66, that at a meeting of the Jacksonville Klavern #502, held on 5/6/66, it was the consensus of opinion of those present that the postal card was sent by a [ ], a former member who owns a printing press.

[redacted] advised on 5/31/66. that he had a conversation with [redacted] of the DeLand Klavern, OPAKK, Samula, Florida, on 5/26/66. [redacted] referring to the NCDT letters and the postal cards, stated that they were probably mailed by a disgruntled klansman, the NAACP, the FBI or President JOHNSON's Office.

The Bureau will be advised of any tangible results noted from the mailing of the second NCDT letter and the second set of postal cards.

This office will remain alert for other possibilities in connection with this program.

Information in this report is set forth herein exactly as received, except for corrections in spelling and grammar:

5/16/66

The monthly meeting of the State Officers and E.C.'s was held May 15, 1966 at Sherwood from 10:00 AM to 4:00 PM,

The meeting opened with thirty members present and with no unfinished business; elected seven men to the nominating committee.

The next item on the floor was the receiving of letters by mail. Mr. [ ] had received a letter which was one of three said to be duplicates. The second letter mailed to the Grand Dragon and the third to the Internal Revenue, Jacksonville, Florida, stating that the Klan had withdrawn their money from the banks and that a large lot had been sold with no taxes being paid to their county.

b6  
b7C

Mr. [ ] received a letter from the Executive Director, National Committee for Domestic Tranquility. There was no name signed to these letters and the letters are postmarked Clearwater, Fla. These are being sent to Klansmen and have their title on the envelope. Postcards are also being sent from about a twenty mile radius of Jacksonville. No two shipments are coming from the same post office.

The next subject was to start sending postcards in return of those being received. Each E.C. is to make a list of names for these cards to be mailed to. This list would be exchanged with the E.C. of a club in another city, so that the cards being received in Orlando would have an out-of-town postmark. The state office will print the cards and the Klaverns will pay the postage.

There was a discussion on what would be done if the Klan is made an illegal organization and they decided they would just change the name and become more secret, and for all to vote for Burns for Governor.

Re Houston airtel to Bureau dated 6/1/66 and Bureau airtel to offices indicated below dated 6/10/66.

Referenced Houston airtel reported on a plan discussed by Houston Klan members to duplicate copies of the original postal card mailed out to Klan members in the Houston area. Contacts with Klan informants has disclosed this plan has not been carried out to date and there has been no mention of such activities on the part of the Klan in the Houston area during the past two weeks. It appears that this plan of Klan members to mail out similar postal cards never progressed past the talking stage, and is not to be pursued.

In accordance with the plan outlined in referenced Bureau airtel dated 6/10/66, the Houston Office prepared 30 postal cards bearing the legend, "Which Klan leaders are spending your money tonight?" Through the cooperation of

the San Antonio, El Paso, Phoenix and Los Angeles Offices, these postal cards were mailed on a staggered basis between 6/21/66 and 6/24/66 in small towns along a route starting in the area of Del Rio, Texas, and proceeding through the El Paso area, the Phoenix area and the area of Riverside, California. This plan was followed to leave the appearance these cards were being mailed by some individual traveling westward along this route.

[ ] has reported several Houston Klan members have recently discussed receipt of this second postal card and there has been open speculation that these cards were being mailed by representatives of the Anti-Defamation League, with the cooperation of the Department of Justice. The FBI has not been specifically mentioned in connection with this second mailing. Informants report there has been no additional discussion of any plan in the Houston area for such postal cards to be reproduced and mailed to miscellaneous individuals.

PROPOSED COUNTERINTELLIGENCE OPERATION BY HOUSTON OFFICE:

The Bureau was advised by airtel and LHM on 6/15/66 of a cross burning incident occurring at Cleveland, Texas, in the early morning hours of 6/15/66, participated in by 9 members of the UKA known as Harris County Unit No. 1.

In accordance with instructions set out in Bureau airtel to Houston dated 6/22/66, all of the above communications being in the UKA file (Bureau file 157-370), the Bureau instructed that all klansmen involved in these cross burnings be interviewed in order to neutralize such activities in the future if possible.

The Houston Office has completed interviewing all of the individuals involved except two and they will be interviewed when they can be located within the next two days. These interviews were mixed with interviews of approximately 10 other individuals designed to divert suspicion from our informant.

The Houston Office recovered a portion of the burned cross left by Klan members at Cleveland, Texas, along with a broken portion of a bottle apparently used as a "Molotov cocktail" to actually ignite the cross.

For the information of the Bureau, klansman [redacted] [redacted] at whose residence the Houston Klavern has been meeting every [redacted] night, recently suggested that this klavern adopt as a cover name the name "Harris County Coon Hunter's Club". This name was registered by [redacted] at the Assumed Name Record Section, Harris County Tax Collector's Office, Houston, Texas, where it has been reviewed by a Bureau Agent, and where it can readily be reviewed by anyone browsing through such records. Commercial firms regularly review these records in order to supplement their mailing lists for advertising purposes.

The Houston Office proposes the following action in order to further disrupt and confuse the Houston UKA Klavern, and to further discourage them from engaging in activities bordering on intimidation.

It is proposed that the charred remains of the wooden cross, together with the broken portion of the bottle referred to above, be placed in a securely wrapped package and address to the Harris County Coon Hunter's Club at the address of [redacted] which address was used when he registered the above name. It is proposed arrangements be made through a local package delivery service, without revealing in any way the Bureau's connection with this matter, for this package to be delivered to [redacted] residence at 9 p.m., on a Tuesday night, either 7/12/66 or 7/19/66, if possible. A pretext could be used by a Bureau Agent that he

HO 157-703

It is anticipated that this package would then be delivered during one of these klavern meetings and would be opened and readily identified by klansmen present. It is believed this would have a favorable psychological reaction which would tend to unnerve some of the weaker hearted members and perhaps convince other members that such activities could not be engaged in without their being identified and possibly prosecuted in the future.

The Bureau's early consideration to the above proposal would be appreciated, inasmuch as the Harris County Unit No. 1 of the UKA is presently considering the rental of a building for future klan meetings, in order to avoid holding meetings in the residences of members.

Buy U S Savings Bonds Regularly on the Payroll Savings Plan

TO ALL FLORIDA KLANSMEN:

Having been a member of the Klan years ago when the klan was "THE KLAN" I thought some time back that may be it would be getting started again and so I started attending rallies and talking to a few old friends thinking maybe I could be of some help/ I have been very disappointed in what I have seen and heard and would like to tell you of some of the thing I have come in contact with to let you know what I think of it.

Over the weekend of June 4, 1966 I went down to Green Cove Springs, Florida and attended a rally of the Florida Klan held south of that city. The only thing good about the ralley was that Sadie Stoudenmire did not speak. There were so few people there other than regular members that someone mentioned that they were probly all Herman Clark's relatives. If I were Herman I think I would have old Rev. Byrd make a record of his speech and then just play it at the next rally rather than pay him to come all the way down state.

Inspite of the poor showing and the poor organization at the Green Cove Springs rally Charlie Wilson and that Jacksonville bunch don't have a whole lot to crow about. That rally they put on April 16, 1966 was probly the worst ever. Thank goodness Sadie hadn't brought her notes or bordem would have been added to confusion. Gene Wilson did a pretty good job for not being prepared but Warren Folks could have done better and he's crazy.

The old folks at #2 in Jacksonville someone said were holding their meetings behind Sadie's petticoats. If they aren't holding them there I don't know where they are holding them and they are really doing their part in keeping the empire invisable. The way Sadie talks you begin to wonder whether maybe the Grand Dragon doesn't live in Jacksonville rather than in Deland. Someone else said that she may be the dragon but she sure isn't grand.

11-19-02 60290 BCE/dej/SL  
#966268

Maybe now that Gene Foreman got fired from his job at the hospital the Militant Knights can put on a rally. Someone told me that he was doing a good job at the hospital emptying the bed pans for the niggers. They said the niggers were real happy to think that a Grand Dragon was emptying them.

Gene is really up set about all the niggers in Jacksonville that are shacking up and having kids and living on welfare. At least he and Barbara don't have any kids and they aren't living on welfare yet

Little Donald Ballentine and Robert Cornwall are probly the brains behind the Militant Knights because Foreman sure doesn't have any from what Ballentine sees. Ballentine is sure prepared he must have enough burlap and 2 X 4s in his garage to build crosses for all klan rallies in the state of Florida held between now and 1970.

From what I have seen and heard things are really a mess in Florida and I think it would probly be a good idea to get rid of the whole kit and caboodle and started all over.
